B. B. DUTT,

Controller of Examinations.

Krishnagar College.

Krishnagar, the 29th May 1939.

The College re-opens on the 3rd July 1939 after the summer vacation.

1. The College teaches up to the B.A. and B.Sc. standards of the Calcutta University. There is provision for Honours teaching in Mathematics for the B.Sc. students and in English, Sanskrit and Mathematics for the B.A. students. The following combination of subjects is permitted:—

(*i*) I.A.—English, Bengali and any three of the following subjects:—History, Logic, Elements of Civics and Economics, Mathematics, Sanskrit or Persian.

N.B.—Candidates may also take up, if they so desire, one additional subject out of the last named group of five subjects, provided they have not already taken the subject. The additional subject so taken shall be considered as the optional subject under rule 8A of the University Regulations for the I.A. Examination.

(*ii*) I.Sc.—English, Bengali, Mathematics, Physics and Chemistry.

(*iii*) B.A.—English, Bengali and any two of the following subjects:—Mathematics, History, Economics, Mental and Moral Philosophy, Sanskrit or Persian.

(*iv*) B.Sc.—Physics, Chemistry and Mathematics.

2. Students who seek admission to the College must apply in the prescribed Admission Form which can be had from the College office on personal application or by sending a stamped cover. A limited number of women students is also admitted to the College.

3. Students who have passed the University Examinations creditably can be admitted to the College. Students who come with transfer certificates from other colleges can only be admitted if their attendance and progress in studies at the College where they last studied, are considered satisfactory. Plucked candidates are required to produce the "Admit Card" and the "Cross List".

4. Students who do not reside with parents or legal guardians must live in one of the College hostels. Permission to live with local guardians can be granted only in exceptional cases.

5. Arrangements have been made to divide the students into groups and place them under the effective and intimate guardianship of their teachers. Any change of address must immediately be notified to the College office.

6. Students must obey the rules and discipline of the College including those of the College Union. Absence from College Examinations without leave is a breach of College discipline. No student can be promoted to a higher class or sent up for a University Examination unless he has appeared at College Examinations and has been regular in attendance.

7. Attendance at games or organised physical exercises under the guidance of the Physical Instructor is compulsory.

8. *Hostels.*—There are two hostels attached to the College—one for the Hindu students and another for the Muslim students. The messing charge in the Hindu Hostel is Rs. 11 per month (including the establishment and light charges). In case of a deficit, the amount spent in excess is shared equally by the boarders. In the Muhammadan Hostel the messing charge is about Rs. 8 per month. In addition the charges for electric lights are shared equally by the boarders. The monthly seat rent is Re. 2 in both the hostels. Two of the students belonging to the educationally backward classes (*i.e.*, scheduled castes) can be given rent-free seats in the Hindu Hostel out of a grant received from the University of Calcutta. Students seeking admission to the hostels should apply to the Superintendents personally.

9. Students pay on admission to the hostel Rs. 3 as admission fee and Rs. 6 as caution money. The caution money is refunded only when the boarder finally leaves the hostel, provided all dues have been paid. But this money shall be forfeited to the hostel fund in the case of expulsion from the hostel. The health of the boarders has all along been satisfactory. A few stipends to poor but meritorious students residing in the hostels are awarded out of the income of certain trust funds.

10. *Fees.*—(*a*) Students pay on admission to the College an admission fee equal to the tuition fee of the class for one month.

(*b*) They also pay an annual consolidated subscription of Rs. 5 for the College Union, viz., Rs. 2 for the Athletic Club, Re. 1 for the College Magazine, Re. 1 for the Common Room and Re. 1 for other activities of the Union. This subscription is payable at the time of admission and subsequently in the month of July every year.

(*c*) They further pay an annual fee of Re. 1 as printing charges.

(*d*) They also contribute a sum of Re. 1 per year towards the Students' Aid Fund from which poor and needy students get occasional help in meeting their tuition fees. This amount is also payable in the month of July every year.

(*e*) Students whose names have not already been registered in the University, pay a registration fee of Rs. 2 (and money order commission of annas 2) as laid down in the University Regulations.

11. All students are also required to make a library deposit of Rs. 5 each and the I.Sc. students a laboratory deposit of Rs. 10 each, and the B.Sc. students a laboratory deposit of Rs. 15 each. The caution money is forfeited by Government if not withdrawn by the students within five years of the date of deposit.

12. (*a*) Monthly tuition fees are as follows:—for students of the I.A. Classes Rs. 6; for students of the B.A. and I.Sc. Classes Rs 7; and for students of the B.Sc. Classes Rs. 8.

(*b*) Several free and half free studentships and stipends are available for poor but deserving students.

Trial of cases.

34. Except as otherwise provided for and subject to the provisions of this Act, the provisions of the Criminal Procedure Code and of the Indian Evidence Act shall apply to all cases arising out of offences under this Act.

STATEMENT OF OBJECTS AND REASONS.

Under section 71 of the Government of India Act, every legislature has now the power to define its own privileges, with this restriction that it cannot function as a Court to punish any breach of privileges. The Bill therefore provides for the trial of all such breaches by the Courts.

In order that the legislative duties of a member may not be hampered in any way, the Bill provides that a member should not be liable to arrest, detention or imprisonment in any civil proceedings or under any civil process during Assembly session and for a period of two weeks before and after and that he should be exempt from personal appearance in any civil or revenue court during sessions and should also be exempt from liability to serve as jurors or assessors.

The Government of India Act provides that a chamber of a Legislature may declare the seat of a member vacant, if he is absent without permission of the chamber, for sixty days from all meetings. If a member is therefore detained, convicted or imprisoned on a criminal charge or otherwise, compelling him to be absent from the sittings of the Assembly, it is necessary that the Assembly should have information of the fact and the Bill therefore makes necessary provision for such information being sent to the Assembly.

It is not intended that beyond sending such informations, there should be any interference with the administration of the criminal law, but so long a member remains a member of a legislature, in which special interests apart from territorial representation, have been specially provided for, it is possible that a member's presence, even though he is under detention or imprisonment, may be necessary for the purpose of the Assembly and provision has therefore been made for bringing such member under proper escort before Mr. Speaker for such period as may be required for such special purposes and if considered necessary and desirable.

It has also been provided that a member accused of a bailable offence should be given bail to enable him to attend to his legislative duties except on days his trial may be fixed.

The Bill also provides for freedom of movement of a member within the province unless by virtue of the operation of the criminal law of the land, his movement is restricted in any manner.

The Bill provides that Mr. Speaker should be exempt from personal appearance in any court and unless convicted in due course of law should not be liable to be arrested, detained or imprisoned on any criminal process or in any criminal proceeding. This is obviously necessary so that the work of the legislature may not be disorganised or paralysed. Exemption of certain class of persons from personal appearance in criminal courts is not without precedence in the law of this country.

The Bill provides that no civil or criminal process should be served within the Assembly House nor should such process served through Mr. Speaker.

Salaries and allowances of members as also of Mr. Speaker and the Ministers are necessary emoluments for the proper functioning of the Legislature and the Bill therefore provides that they should not be liable to attachment or sale, in execution of a decree.

Provision has been made for the summoning of witnesses by the Assembly and detailed provisions have been made for this purpose. While witnesses are made immune from any civil or criminal liability for their evidence, any refusal to attend or giving of false evidence is made a penal offence.

In order that there may not be any doubt as to legal liabilities of persons connected with the publications, by order of Mr. Speaker, of the Assembly papers, the Bill provides that no one should be liable in law for such publications.

Faithful and correct report of the proceedings of the Assembly or faithful and fair summary reports in newspapers, are made immune from any liability in law.

The Bill provides for certain penal offences and for legislative contempts and makes provision for special procedure and special rules of evidence for such offences. It is intended that no such case should be taken cognisance of by any court except on the complaint of Mr. Speaker who is also given power to withdraw such cases. These offences include bribery and acceptance of money in relation to legislative works.

Following the procedure in England, provision has been made for the constitution of a tribunal of High Court Judges to investigate into matters of urgent public importance, if so desired by a resolution of the Assembly. Momentous matters are likely to arise from time to time and a judicial enquiry is always the best method for proper enquiry and investigations into such matters of public importance. The budget disclosures sometime back in England were referred to a judicial tribunal of this nature. This Bill provides for exactly similar procedure in such circumstances.

Various other matters are also provided in the Bill arising out of privileges and for the proper functioning of the legislature.

NOTIFICATIONS.

Simla, the 20th July 1939.

No. M.-955.—In exercise of the powers conferred by section 29 of the Indian Mines Act, 1923 (IV of 1923), the Central Government is pleased to direct that the following further amendments shall be made in the Indian Coal Mines Regulations, 1926, the same having been previously published as required by sub-section (*1*) of section 31 of the said Act, namely:—

In the said Regulations—

I. Sub-regulation (*3*) of regulation 68 shall be omitted.

II. For regulations 77 and 78, the following regulations shall be substituted, namely:—

"77. (*1*) The dimensions of pillars and galleries and the shape of pillars formed in any seam shall be such as to ensure stability during the formation of pillars, during the extraction of pillars, and during the period between such formation and extraction.

(*2*) Save with the previous permission in writing of an Inspector, no gallery in a seam shall exceed 10 feet in height or 16 feet in width.

(*3*) Where the "pillar and stall" system of working is adopted the pillars formed in any seam shall normally be rectangular in shape.

(*4*) The distance between the centres of any two adjacent pillars left in a seam shall not be less than that specified in the appended table as corresponding to the depth of the seam from the surface and the average width of the galleries in the workings in question.

Depth of seam from surface	Where the average width of the galleries does not exceed 10 feet, the distance between centres of adjacent pillars shall not be less than—	Where the average width of the galleries does not exceed 12 feet, the distance between centres of adjacent pillars shall not be less than—	Where the average width of the galleries does not exceed 14 feet, the distance between centres of adjacent pillars shall not be less than—	Where the average width of the galleries does not exceed 16 feet, the distance between centres of adjacent pillars shall not be less than—
	Feet	Feet	Feet.	Feet.
Not exceeding 200 feet	40	50	60	65
Exceeding 200, but not exceeding 300 feet	45	55	65	70
Exceeding 300, but not exceeding 500 feet	55	65	75	85
Exceeding 500, but not exceeding 800 feet.	75	85	100	115
Exceeding 800 feet	95	115	130	150

Provided that the Chief Inspector may, in the case of any particular seam or mine, by order in writing and subject to such conditions as he may specify, vary the distances specified in the said table.

(5) Nothing in sub-regulations (2), (3) and (4) shall apply to workings in a mine made before the coming into force of this regulation. In such workings the following provisions shall apply, except in depillaring operations:—

(a) if the distances between the centres of adjacent pillars are smaller than those specified in the table appended to sub-regulation (4), the pillars shall not be further reduced;

(b) if the distances between the centres of adjacent pillars are not smaller than those specified in the table appended to sub-regulation (4), the pillars shall not be so reduced as to render those distances smaller than—

(i) the distances so specified, or

(ii) any distance required in this behalf by the Chief Inspector;

(c) if the height or width of a gallery exceeds the figure specified in sub-regulation (2), the dimensions of the gallery shall not be further increased without the permission in writing of an Inspector; and

(d) if the height or width of a gallery is less than the figure specified in sub-regulation (2), it may be increased only to the extent so specified or to such extent as may be permitted by an Inspector in writing.

(6) In the case of all workings, where in the opinion of an Inspector the dimensions of pillars or galleries are such as to render it likely that crushing of pillars or the premature collapse of any part of the workings will occur either before or during the extraction of pillars, he may, by order in writing, require such modification of those dimensions in respect of any future working as he shall specify.

78. (1) The extraction of pillars shall be conducted in such a way as to prevent as far as possible the extension of a collapse or subsidence of the goaf over pillars which have not been extracted. Adequate timber or other supports shall be used where necessary.

(2) Save as provided by sub-regulation (3), no pillars shall be reduced or split in such a manner as to reduce the dimensions of the resultant pillars below those required by regulation 77 or by any order passed thereunder, nor shall any gallery be so heightened as to exceed the height required by or under that regulation.

(3) During the systematic extraction of pillars no "splitting" or reduction of pillars or the heightening of galleries shall be effected for a greater distance than the length of two pillars ahead of the pillar that is being extracted or from the point at which pillar extraction is about to begin.

(4) An Inspector may by order in writing relax the provisions of sub-regulations (2) and (3) in respect of any specified workings to such extent and on such conditions as he may specify in the order."

III. Regulation 78A shall be re-numbered as regulation 78B and before that regulation as so re-numbered the following regulation shall be inserted, namely:—

"78A. Nothing in regulation 77 or regulation 78 shall prevent the driving of any gallery through any pillar or the enlargement of any gallery beyond the limits prescribed by or under these regulations when in the opinion of the manager such work is necessary for haulage, ventilation, drainage or any other purpose necessary for the proper working of the mine, if a week's previous notice of the intention to undertake such work has been sent to the Inspector."

IV. For regulation 80, the following regulation shall be substituted, namely:—

"80. (1) In any mine in which two or more seams or sections of a seam are close to each other, the pillars in the one seam or section shall, where the strata are not highly inclined, be, as far as practicable, vertically above or below the pillars in the other seam or section.

(2) No work in a higher seam or section shall be done over an area in a lower seam or section which may collapse unexpectedly.

(3) No seam in a mine shall be worked in more than one section without the permission in writing of the Chief Inspector and under such conditions for ensuring the stability and safety of the workings as he may specify.

(4) Every application for permission under sub-regulation (3) shall be accompanied by a plan showing the proposed layout of the workings, the thickness of the seam, the depth of the seam from the surface, the rate and direction of dip, the dimensions of pillars and galleries in each section and the thickness of the parting between the sections.

(5) Where a seam in a mine is worked in two or more sections every such section shall be deemed to form a separate seam and the parting left between any two such sections or between the workings made in any two seams in a mine which are close to each other, shall not be less than 10 feet in thickness:

Provided that an Inspector may by order in writing—

(*a*) permit a smaller thickness of parting, if he is of opinion that the stability of the workings will not be affected thereby, or

(*b*) require a greater thickness of parting, if he is of opinion that such greater thickness is necessary for the safety of the workings."

V. After regulation 80, the following regulation shall be inserted, namely:—

"80A. If in any mine it appears to an Inspector authorised in this behalf in writing by the Chief Inspector that the provisions of regulation 77, regulation 78 or regulation 80 or of any order issued under any of those regulations have not been complied with, he may give notice in writing to the owner, agent or manager of the mine requiring him to take such protective measures, within such reasonable time, as he may specify in the notice; and in case of non-compliance, the Inspector may, by order in writing addressed to the person to whom the notice was given, prohibit the extraction of coal in the part or parts of the mine in which protective measures are required to be taken until the requirements specified in the notice are complied with to his satisfaction."

VI. Sub-regulation (*3*) of regulation 81 shall be omitted.

VII. For regulation 82, the following regulation shall be substituted, namely:—

"82. (*1*) An appeal against any order passed by an Inspector under any of the following regulations, namely, regulations 68, 77, 78, 80, 80A and 81, may be preferred to the Chief Inspector and the order of the Chief Inspector thereon shall, save as otherwise provided in sub-regulation (*2*), be final.

(*2*) An appeal against any order passed by the Chief Inspector—

(*a*) under sub-regulations (*4*) and (*5*) of regulation 77 or sub-regulation (*3*) of regulation 80; or

(*b*) on appeal under sub-regulation (*1*) of this regulation against any order of an Inspector passed under regulations 77, 78, 80 and 80A.

may be preferred to the Central Government, which shall refer the same to a Committee constituted in the manner laid down in sub-sections (*1*) and (*2*) of section 11 of the Act.

(*3*) The procedure laid down in sub-sections (*3*), (*4*) and (*5*) of section 11 of the Act shall apply to a reference made to a Committee under sub-regulation (*2*).

(*4*) Every order against which an appeal is preferred under sub-regulation (*2*) shall be complied with pending the receipt at the mine of the decision of the Committee:

Provided that the Committee may, on the application of the appellant, suspend the operation of the order appealed against pending the disposal of the appeal."

VIII. Regulation 84 shall be re-numbered as sub-regulation (*2*) of that regulation, and before that sub-regulation as so re-numbered, the following sub-regulation shall be inserted, namely:—

"(*1*) No person shall work in any place in which he has not been ordered to work either by an official of the mine or by a person authorised in this behalf by an official of the mine."

No. M.-955.—In pursuance of clause (*b*) of rule 22 of the Coal Mines Rescue Rules, 1939, the Central Government is pleased to fix 7½ as the percentage which each Railway Administration shall be entitled to deduct, towards the cost of collection, from the total amount of excise duty collected by it under the said rules.

Official Papers.

DEPARTMENT OF AGRICULTURE, BENGAL.

Forecast of the Summer Til (Sesamum) Crop of Bengal, 1939-40.

(*Note.*—On an average of the five years ending 1937-38, the area under *til* in Bengal has represented some 3·5 per cent. of the total area under *til* in India.)

Character of the season.—Sowings generally commenced under favourable weather conditions, but a long spell of drought had an adverse effect on the growth of the crop in a number of districts. At a later stage, however, some improvement set in but it was too late to recoup the harm already done. Some damage was reported from the districts of Hooghly, Pabna, Rajshahi, Mymensingh, Bakarganj and Tippera.

Acreage.—The area sown this year is estimated at 134,900 acres as against 142,500 acres last year.

Outturn.—From the District Officers' estimates, the average outturn of the crop for the Province works out at 69 per cent. of the normal this year as against 60 per cent. last year.

Taking the normal yield at 7 1/20th maunds per acre, the gross outturn of the crop for the Province is estimated at about 24,100 tons this year as against 22,100 tons last year.

M. Carbery,

Director of Agriculture, Bengal.

Dacca, the 22nd July 1939.

District.	Estimated normal area under summer til.	Estimated area under summer til.		Taking 100 to represent the normal, what would be the average outturn per acre cropped. Murshidabad ..	2,400	2,500	2,400	51	89	March Normal	June. Normal	The weather was fairly favourable.
Jessore ..	900	1,100	1,100	40	57	Ditto.	Ditto.	The effects of weather were not favourable for the growth of the crop due to drought and caused the outturn to fall much below the normal.
Khulna ..	1,000	1,000	2,000	42	67	Middle of January. Normal.	Middle of May. Normal.	The increase in area is due to partial destruction of previous crop and consequent scarcity inducing people to cultivate more of this crop. The weather was favourable at sowing time, but some damage was caused by drought in the intermediate period of growth and hence the outturn is much below the normal.
Burdwan ..	900	300	300	92	92	End of February. Normal.	May. Normal	The weather was favourable.
Birbhum ..	500	500	500	83	83	February and March. Normal.	June. Normal	The weather was seasonable.
Bankura ..	2,700	5,300	4 300	83	73	February. Normal.	May to August. Normal.	The decrease in area is due to scarcity of water at the sowing time. Effects of weather on the cultivation and growth of the crop have now become favourable. The low outturn is due to drought.
Midnapore ..	7,500	1,000	1,100	75	67	March. Normal	June. Normal	The weather condition was not favourable for the crop; hence the outturn was below the normal.
Hooghly ..	100	100	100	58	50	First week of March. Late.	First week of June.	Damage to the extent of 6 annas was done to the crop owing to want of rainfall.
Rajshahi ..	6,400	10,500	10,700	67	58	February and March. Normal.	May and June. Normal.	The weather was favourable at the sowing season but later on drought hindered the growth of the crop to a great extent and some damage was done to the crop. The outturn, as such, was below the normal.
Dinajpur ..	200	400	200	85	85	Early March Normal.	Middle of June. Normal.	The decrease in area as compared with last year is due to the fact that the production of summer *til* crop is not profitable. The effects of weather on the cultivation and growth of the crop were fair.
Rangpur ..	200	300	300	100	100	End of February. Normal.	June. Normal	The weather was favourable.
Bogra ..	900	900	800	60	50	February and March. Normal.	Ditto.	The decrease in area and outturn is due to long standing drought.
Pabna ..	23,000	18,700	20,000	50	58	Middle of February. Normal.	Middle of June. Normal.	The increase in area as compared with last year is due to increased price of *til* and due to propaganda. The weather was unfavourable at the time of sowing but became favourable later on. Prolonged drought in March and April damaged the crop considerably. The outturn was much below the normal owing to the prolonged drought.

Dacca ..	12,100	22,400	22,900	66	90	February to April. Normal.	June. Normal	At sowing time the weather was very dry but after that it became favourable.
Mymensingh ..	44,400	31,700	31,700	70	70	April. Late .	Middle of July	The outturn fell much below the normal on account of drought at the sowing time and excessive rain afterwards.
Faridpur ..	8,500	11,000	10,500	64	63	February to April. Late.	May to June. Late.	The weather was unfavourable at the sowing time but subsequent rain proved beneficial to the growth of the crop.
Baka-ganj ..	6,500	25,000	15,000	34	50	Latter part of February and March. Little late.	End of May and first part of June. Little late.	The decrease in area is due to unfavourable weather condition at sowing time. There was a long spell of dry weather followed by an unusual tidal flood in the latter part of May. The growth of the crop was not good and as such the outturn has fallen much below the normal.
Chittagong ..	200	200	200	80	80	March and April. Normal.	June Normal	The weather was in a way favourable for the growth of the crop.
Tippera ..	3,800	8,600	9,800	75	75	February to April.	End of May and June.	The effects of weather were fair. Damage to the extent of 2 annas was caused in Brahmanbaria and slight damage in Chandpur and 4 annas damage in Laksam Circle.
Noakhali ..	1,300	1,000	1,000	78	78	Beginning of February. Normal.	Early June. Normal.	Rain in March helped the sowing in time. Drought in April is responsible for causing the outturn to fall below the normal.

GOVERNMENT OF BENGAL

DEPARTMENT OF PUBLIC HEALTH AND LOCAL SELF-GOVERNMENT.

Municipal.

NOTIFICATIONS.

No. 1177M.—3rd August 1939.—In exercise of the power conferred by sub-section (2) of section 1 of the Calcutta Municipal (Amendment) Act, 1939 (Bengal Act XI of 1939), the Governor is pleased to appoint the 3rd of August 1939 as the date on which the said Act shall come into force.

No. 1178M.—3rd August 1939.—Whereas the constituencies of the Corporation of Calcutta have been materially altered by the amendments made in the Calcutta Municipal Act, 1923 (Bengal Act III of 1923), by the Calcutta Municipal (Amendment) Act, 1939 (Bengal Act XI of 1939);

And whereas such amendments necessitate modifications of the existing rules for the preparation and publication of electoral rolls for the election of the Councillors of the Corporation;

And whereas the first elections of the Councillors of the Corporation after the commencement of the Calcutta Municipal (Amendment) Act, 1939, is due to be held in March 1940;

And whereas owing to shortness of time a difficulty has arisen as to the preparation and publication of the first electoral rolls for the said first elections in accordance with the provisions of the Calcutta Municipal Act, 1923, as so amended after making necessary modifications in the existing rules;

Now, therefore, in exercise of the power conferred by section 44 of the Calcutta Municipal Act, 1923 (Bengal Act III of 1923), as substituted by the Calcutta Municipal (Amendment) Act, 1939 (Bengal Act XI of 1939), the Governor is pleased to make the following order, namely:—

Order.

1. In this Order unless there is anything repugnant in the subject or context,—

(*1*) "the Act" means the Calcutta Municipal Act, 1923 (Bengal Act III of 1923);

(*2*) "constituency" means one of the constituencies specified in Schedule III to the Act.

2. (*1*) The electoral roll of every constituency shall be prepared and published by the authority (referred to in this Order as the "Registering Authority") appointed in this behalf by the Provincial Government by notification in the *Calcutta Gazette*.

(*2*) For the purpose of the preparation and publication of the electoral roll, the Registering Authority may employ such agency as he thinks fit.

3. No person shall be included in the electoral roll of a General, Muhammadan or Anglo-Indian Constituency by virtue of the qualifications specified in clause (*b*) or clause (*c*) of sub-section (*1*) of section 20 of the Act unless his name is entered in the register maintained under the said clause on an application made by him in that behalf under that clause to the Executive Officer.

Every such application shall be made in form A or form B, as the case may be, annexed to this Order and it shall contain a declaration about the correctness of the particulars mentioned therein and the said declaration shall be signed by such person, in the case referred to in the said clause (*b*) in the presence of the owner or any of the owners of the premises or part of the premises in respect of which the rent referred to in that clause was paid by such person, and in the case referred to in the said clause (*c*) in the presence of the owner or any of the owners of the *bustee* referred to in that clause. The application shall also be accompanied by another declaration by the owner or owners of such premises or *bustee* regarding the correctness of the statement made therein about the occupancy of such premises or part thereof and the amount of rent paid in respect thereof or the ownership of any hut in such *bustee* and the amount of consolidated rate paid in respect thereof, as the case may be, during the period referred to in the said application.

4. The electoral roll of every constituency shall be prepared in English, but in order to give it wide publicity, the Registering Authority may, if he thinks fit, also prepare and publish or cause to be prepared and published a copy of the roll in such other language or languages as he may consider necessary.

5. On or before the 15th day of November 1939, the Registering Authority shall prepare or cause to be prepared a complete electoral roll (hereinafter referred to as the preliminary roll) for each constituency containing the names of all persons who appear to the Registering Authority to be entitled to be registered as electors for that constituency.

6. In the case of a General, Muhammadan or Anglo-Indian constituency, the preliminary roll shall be prepared ward by ward, but the Registering Authority may, if he thinks fit, prepare a consolidated preliminary roll for several wards comprising a constituency or part of a constituency. The Registering Authority may also sub-divide the roll in such other manner or into such other parts as he may deem expedient for the purpose of facilitating the preparation of the roll:

7. (*1*) The names of electors registered in the preliminary roll or any part of the preliminary roll of any such constituency as aforesaid shall be arranged in accordance with the alphabetical order (in English) of the names of the streets and the serial numbering of the premises in such streets contained in the said roll or part of the roll as the case may be.

(*2*) In the case of a constituency in which a seat is reserved for members of the Scheduled Castes, the caste of each elector belonging to the Scheduled Castes shall be indicated in the preliminary roll against the name of such elector.

(*3*) Where a person is registered as the representative of any company, body corporate, firm, joint family or other association of individuals, or as the manager of a lunatic or the guardian of a minor, a distinctive sign or mark shall be placed against his name in the preliminary roll to indicate the fact.

(*4*) Persons qualified as electors under clause (*b*) or clause (*c*) of sub-section (*1*) of section 20 of the Act shall also have a distinctive sign or mark placed against their names in the preliminary roll unless it is decided to publish their names in a separate part or parts of the preliminary roll.

8. In the case of a special constituency, the preliminary roll shall be in such form as the Registering Authority may direct. It shall contain the names of the persons registered as electors arranged alphabetically (in English) with their addresses.

9. In the case of the labour constituency, the preliminary roll shall be prepared ward by ward, but the Registering Authority may, if he thinks fit, prepare a consolidated preliminary roll for the entire labour constituency. The Registering Authority may also sub-divide the roll in such other manner or into such other parts as he may deem expedient for the purpose of facilitating the preparation of the roll. The names of the electors registered in the roll or any part thereof shall be arranged in accordance with the alphabetical order (in English) of the names of the Trade Unions of which they are members.

10. (*1*) Before the preparation of the preliminary roll of the labour constituency is taken in hand, the Registering Authority shall cause a notice to be issued calling upon each trade union which has its registered office within the limits of Calcutta and which is recognised in accordance with the provisions of paragraph 18 of Part IV of the Government of India (Provincial Legislative Assemblies) Order, 1936, to submit to him within such time and in such form as may be specified by him in this behalf, a list of its ordinary members who are qualified as electors of the said constituency under sub-section (*4*) of section 20 of the Act together with a copy of the certificate of recognition issued to it in accordance with the provisions of sub-paragraph (*2*) of paragraph 18 of Part IV of the said Order.

(*2*) Notice under sub-paragraph (*1*) shall be issued to each trade union referred to in that sub-paragraph and a copy of the notice shall also be published in the manner provided in clause (*c*) of paragraph 12 as well as in such local newspapers as the Registering Authority may deem fit.

11. For the purpose of satisfying himself as to the correctness of the list of members submitted by a trade union under paragraph 10, the Registering Authority may require any trade union to produce before him within such time as he may fix in this behalf, any register, record or document of such union, and may call upon any officer or member of a trade union to appear before him for oral examination on a date or dates to be fixed by him.

12. The preliminary roll prepared as above for every constituency shall be published by the Registering Authority not later than the 15th day of November 1939 referred to in paragraph 5 in the manner following and otherwise as he may think fit to give it wide publicity in the constituency:—

(*a*) In the case of a constituency other than a special or the labour constituency, by affixing for public inspection a complete

copy of the roll at the Central Municipal Office and at the following other places:—

(*i*) the Municipal District office or offices, and such other Corporation office or offices as the Registering Authority may think fit, situated within the constituency concerned, or within the jurisdiction of which the constituency or any part of it may be situated,

(*ii*) one or more of the police-station or stations situated within the constituency or within the jurisdiction of which the constituency or any part of it may be situated,

(*iii*) one or more of the Post Offices, as the Registering Authority may think fit, situated within the constituency, and

(*iv*) municipal markets and such public reading rooms and public libraries as the Registering Authority may think fit.

(*b*) In the case of a special constituency, by affixing, for public inspection, a complete copy of the roll at the Central Municipal Office and at the office or offices of the Chamber, Association or the Commissioners of the Port of Calcutta, constituting the constituency as the case may be.

(*c*) In the case of the labour constituency, by affixing for public inspection a complete copy of the roll at the Central Municipal Office, at the registered office of each trade union which has such office within the limits of Calcutta and which is recognised in accordance with the provisions of paragraph 18 of Part IV of the Government of India (Provincial Legislative Assemblies) Order, 1936, and at such other places as the Registering Authority may consider necessary.

13. Printed copies of the preliminary roll shall be sold to the public at such prices as may from time to time be fixed by the Executive Officer.

14. For the purpose of the disposal of claims for being included and objections to the inclusion of any name in the electoral roll, the Registering Authority may, with the previous approval of the Provincial Government, appoint in writing a person or persons to perform all or any of the duties of the Revising Authority in respect of any constituency or part of a constituency:

Provided that no Councillor or Alderman shall be a Revising Authority.

15. Along with the preliminary roll of every constituency, published as above, a notice shall be simultaneously published in the constituency, and a notice of the publication of the preliminary roll shall also be given by advertisement in local papers, specifying for such constituency or any part of it, the Revising Authority to whom, the place at which, the period within which, and the manner in which, claims for being included in the electoral roll or objections to the inclusion of any name in the electoral roll shall have to be preferred.

16. Claims and objections shall be preferred in respect of the preliminary roll of any constituency not later than the 20th day of December next following the month of November referred to in paragraph 5. The Revising Authority shall not entertain any claim or objection received by him after 5 p.m. on that date.

17. All claims and objections shall be in writing and signed by the person making them and shall state the grounds on which they are based, and where they relate to any entry in the preliminary roll shall give the reference to or the particulars of that entry.

18. Every person whose claim or objection is received in time shall be served with a notice by the Revising Authority specifying the place where and the time when his claim or objection will be heard, and he may produce or cause to be produced such evidence as he may wish to adduce, but in the absence of such evidence the Revising Authority shall decide the matter on the entries appearing in the records of the Corporation.

19. When objection is made by any person whose name is on the preliminary roll to the inclusion of the name of any other person recorded therein, the Revising Authority shall serve on such other person a notice stating the grounds of such objection and specifying

the place and the time fixed for the hearing of such objection, where and when such other person may attend with such evidence as he may wish to adduce:

Provided that if any objection shall appear to the Revising Authority to be frivolous or to have been made on irrelevant grounds he shall cause to be served on the person making the objection a notice calling upon him to appear and substantiate his objection either in person or by agent on a specific date, and in such a case no notice shall be served upon the other person until the Revising Authority is satisfied that the objection is well founded, and if the person making the objection shall for any reason fail to appear and substantiate his objection, either in person or by agent on the specified date, the Revising Authority shall proceed as if no objection had been made.

20. Every notice issued by the Revising Authority shall be in writing and shall be served at the address as entered in the preliminary roll or at such other address as may be specified by the claimant or objector in his notice of claim or objection, the person objected to being served only at the address given in the roll, provided that a notice may be served by the Revising Authority by sending it to the person concerned by post.

The notice to be issued to the person objected to shall be either posted seven days before the date fixed for hearing the objection, or served three days before that date if served otherwise than by post.

21. The Registering Authority shall cause to be published from time to time on the notice-board at the Central Municipal Office, a notice showing generally the date on which and the places at which the Revising Authority will sit for hearing claims and objections.

22. The Revising Authority shall dispose of all claims and objections by a date to be fixed by the Registering Authority.

23. On the date fixed for the hearing or on such other date to which the hearing may be adjourned, the Revising Authority shall hold a summary inquiry into the claims or objections preferred, and shall record his orders either allowing or disallowing the claims or objections. He shall also decide on any application or reference made by the Registering Authority for making corrections in the preliminary roll. For the purposes of the inquiry the preliminary roll as published shall be presumed to be correct and complete until the contrary has been proved.

24. (*1*) The orders of the Revising Authority shall be communicated by him to the Registering Authority, who shall cause the roll to be amended in accordance therewith and shall endorse the same in token that this has been done.

(*2*) The roll thus amended shall be the final electoral roll and shall thereupon be published by the Registering Authority in the manner prescribed for the publication of the preliminary roll in paragraph 12.

25. It shall be the duty of the Executive Officer to produce all relevant or necessary documents or papers in his power or possession and otherwise render necessary assistance to the Registering Authority and the Revising Authority in the discharge of their duties.

26. Printed copies of the final electoral roll shall be sold to the public at such prices as may from time to time be fixed by the Executive Officer.

27. All costs incurred in connection with the preparation and printing of the electoral roll, the publication of notices and taking any other action under this Order, shall be payable from the Municipal Fund:

Provided that if the Registering Authority and other persons employed in connection with the preparation and publication of the electoral roll are servants of the Crown, they shall be paid by the Provincial Government such emoluments as may be fixed by the Provincial Government and the Corporation shall, out of the Municipal Fund, pay to the Provincial Government the amounts of emoluments so fixed.

28. The existing rules for the preparation and publication of electoral rolls for the election of the Councillors of the Corporation issued under sub-section (*2*) of section 25 of the Act shall not apply but this Order shall apply to the preparation and publication of the first electoral rolls for the first elections of the Councillors to be held after the commencement of the Calcutta Municipal (Amendment) Act, 1939.

Rules.

1. The Collector shall cause the notice required by sub-section (*3*) of section 9 of the Act to be published in any notified area not only in the manner laid down in the said sub-section but also by affixation of copies thereof in such union board offices, *hats* or bazars and in such zemindary kutcharies within or near such area as he may consider appropriate.

2. (*1*) The Collector shall, before securing the removal of all persons and domestic animals under sub-section (*2*) of section 10 of the Act from an area declared to be a danger zone, cause a warning to be given to such persons and to owners or keepers of such domestic animals for the

evacuation of the said area. He shall also cause the approaches to such danger zone to be guarded so as to prevent the unauthorised entry of persons and domestic animals into such zone during the time when entry thereto is prohibited under the said sub-section, and shall cause flags or other marks to be fixed for delineating such danger zone.

(2) The Collector may utilize police or chowkidars or both for all or any action under sub-rule (1).

3. An application under sub-section (2) of section 10 of the Act by the Officer Commanding the forces shall be made at least one month before the commencement of field firing or artillery practice, and no such practice shall commence unless intimation has been received that action suitable in the opinion of the Collector has been taken to prohibit the entry into, and to secure the removal from, the area which has been declared to be a danger zone of all persons and domestic animals.

4. When a notification has been issued under sub-section (2) of section 9 of the Act authorising the carrying out of field firing or artillery practice in a notified area, all claims for compensation payable under the Act shall be made orally or in writing to the Revenue Officer deputed under sub-section (1) of section 6 of the Act by the Collector to accompany the military forces engaged in the practice.

5. Claims for compensation for exclusion or removal from any area declared to be a danger zone shall be made before the exclusion or removal is enforced and no such claim shall be entertained thereafter, and claims for compensation for damages caused by field firing or artillery practice in the notified area to person or property or interference with rights and privileges arising from such practice including expenses reasonably incurred in protecting person, property, rights or privileges, or for any loss of employment or deterioration of crops resulting from exclusion or removal, from such danger zone shall be made after the field firing or artillery practice is over at a place in the locality to be selected by such Revenue Officer and to be previously notified by him as the place at which such claims will be received. The Revenue Officer shall personally receive all such claims.

Wherever possible all claims received shall be disposed of summarily on the spot, and the amount of compensation to be awarded which shall be determined in the manner laid down in sub-section (2) of section 6 and section 11 of the Act shall be handed over there and then to the claimant. Such claims as cannot be disposed of on the date of receipt thereof shall be disposed of on the following day or as soon as may be thereafter.

The Revenue Officer shall record in a brief note the reasons for the award, the particulars of the damage, if any, and the amount of compensation allowed.

In case in which his award is not accepted by the claimant the Revenue Officer shall write out a short memorandum stating the claim made and objection taken, his decision and the basis on which he calculated the amount of compensation.

The decision shall be communicated to the claimant, and if he desires to prefer an appeal against such decision a copy of the decision shall be supplied to him within 24 hours of the passing of the order.

10. Every appeal against the decision of the Revenue Officer shall be preferred in writing and shall accompany the notice to be given to the Revenue Officer of the intention to appeal under sub-section (3) of section 6 of the Act. NOTIFICATIONS.

No. 1190M.—4th August 1939.—Whereas the constituencies of the Corporation of Calcutta have been materially altered by the amendments made in the Calcutta Municipal Act, 1923 (Bengal Act III of 1923), by the Calcutta Municipal (Amendment) Act, 1939 (Bengal Act XI of 1939);

And whereas such amendments necessitate modifications of the existing rules for the conduct of elections of the Councillors of the Corporation;

And whereas the first elections of the Councillors of the Corporation after the commencement of the Calcutta Municipal (Amendment) Act, 1939, is due to be held in March 1940;

And whereas owing to shortness of time a difficulty has arisen for the holding of the said first elections in accordance with the provisions of the Calcutta Municipal Act, 1923, as so amended, after making necessary modifications in the existing rules;

Now, therefore, in exercise of the power conferred by section 44 of the Calcutta Municipal Act, 1923 (Bengal Act III of 1923), as substituted by the Calcutta Municipal (Amendment) Act, 1939 (Bengal Act XI of 1939), the Governor is pleased to make the following order, namely:—

Order.

Definitions.

1. In this Order, unless there is anything repugnant in the subject or context:—

(*a*) "the Act" means the Calcutta Municipal Act, 1923 (Bengal Act III of 1923);

(*b*) "the Election Officer" means such officer as the Provincial Government may by notification in the *Calcutta Gazette* appoint to perform the functions of the Election Officer under this Order.

Appointment of Returning Officers.

2. (*1*) The Election Officer may appoint as many Returning Officers as he thinks fit, provided that there shall not be more than one Returning Officer for the same constituency and provided also that no person shall be appointed as the Returning Officer of any constituency of which he is an elector.

(*2*) The Election Officer may at any time, for reasons to be recorded in writing, remove any Returning Officer appointed by him and appoint another in his place, and may also appoint a substitute to act as Returning Officer during any temporary disability of the Returning Officer.

Nominations.

3. The Provincial Government shall appoint—

(*a*) a date not less than one month before the date fixed for the general elections under sub-section (*3*) of section 45 of the Act by which the nomination of candidates shall be made; and

(*b*) a further date not later than the seventh day after the first mentioned date for the scrutiny of nominations.

4. Nominations shall be made by means of a nomination paper in Form I annexed to this Order copies of which will be obtainable at the Central Municipal Office. Each candidate shall be nominated by separate nomination paper.

5. On or before the date so appointed for the nomination of candidates, each candidate shall either in person or by his proposer or by his seconder or by his election agent, between the hours of 12 o'clock noon

and 5 o'clock in the afternoon, deliver to the Returning Officer or to such other person as may be authorised in this behalf a nomination paper completed in Form I annexed to this Order and subscribed by the candidate himself as assenting to the nomination and by two persons as proposer and seconder whose names are registered on the electoral roll of the constituency for which the candidate is nominated:

Provided that a nomination paper signed by a duly authorised attorney on behalf of the candidate shall, for the purpose of this paragraph, be held to be signed by the candidate himself as assenting to his nomination.

6. Any person whose name is registered on the electoral roll of the constituency, and who is not subject to any disability as set forth in section 22 of the Act may subscribe in all, whether as proposer or seconder, as many nomination papers as there are vacancies to be filled.

7. Every nomination paper delivered under paragraph 5 shall be accompanied by a declaration in writing subscribed by the candidate in the manner laid down in sub-section (*2*) of section 27 of the Act.

8. Any nomination paper which is not received before 5 o'clock in the afternoon on the date appointed by the Provincial Government under clause (*a*) of paragraph 3 shall be rejected.

9. On the presentation of a nomination paper, the Returning Officer shall satisfy himself that the names and numbers on the electoral roll of the candidate and his proposer and seconder as entered in the nomination paper are the same as those entered in the electoral roll. Where necessary he shall direct that the former be amended so as to be in accordance with the latter.

It shall be also competent for the Returning Officer to alter or amend any entry in the nomination paper presented to him with a view to ensuring accurate and adequate publication under paragraph 10 of the names of candidates and of persons who have subscribed the nomination paper as proposer and seconder.

10. The Returning Officer or other person authorised shall, on receiving a nomination paper under paragraph 5, inform the person or persons delivering the same of the date, hour and place appointed for the scurtiny of nomination, and shall enter in the nomination paper its serial number and shall sign thereon a certificate stating the date on which and the hour at which the nomination paper has been delivered to him; and shall, as soon as may be thereafter, cause to be affixed in some conspicuous place in his office a notice of the nomination containing descriptions, similar to those contained in the nomination paper, both of the candidate and of the persons who have subscribed the nomination paper as proposer and seconder.

11. A proposer or a seconder once having signed a nomination paper shall not be allowed to withdraw.

12. A candidate may withdraw his candidature under sub-section (*3*) of section 27 of the Act by notice in writing subscribed by him and delivered to the Election Officer. The Election Officer shall on receiving such notice of withdrawal, as soon as may be, cause such notice to be affixed in some conspicuous place in his office and in the office of the Returning Officer of the constituency in regard to which the withdrawal has taken place.

If any candidate withdraws his candidature within three days of the date of election, the name of such candidate shall be deemed to be omitted from the ballot paper notwithstanding the fact that his name is shown on the ballot paper.

Scrutiny of Nominations.

13. On the date appointed by the Provincial Government under paragraph 3 for the scrutiny of nominations, the candidates, their election agents, every proposer and every seconder of each candidate, and one other person duly authorised in writing by each candidate, but no other person, may attend at such time and place as the Election Officer may appoint, and the Returning Officer shall give them all reasonable facilities for examining the nomination papers of all candidates which have been delivered within the time.

14. (*1*) The Returning Officer shall then examine the nomination papers and shall decide all objections which may be made to any

nomination, and may, either on such objection or on his own motion, after such summary inquiry, if any, as he thinks necessary, refuse any nomination on any of the following grounds:—

(*i*) that the candidate is ineligible for election in accordance with the provisions of the Act, or

(*ii*) that the proposer or seconder is disqualified from subscribing the nomination paper under paragraph 6, or

(*iii*) that there has been any failure to comply with any of the provisions of the Act or of this order relating to the nomination of candidates, or any failure to comply with the provisions of the Act relating to the deposit to be made by candidates under sub-section (*3*) of section 27 of the Act,

(*iv*) that the candidate or the proposer or seconder is not identical with the person whose electoral number is given in the nomination paper as the number of such candidate, proposer or seconder, as the case may be, or

(*v*) that the signature of the candidate or the proposer or seconder is not genuine.

(*2*) For the purposes of this paragraph—

(*a*) an entry in the electoral roll of any constituency shall be conclusive evidence of the right of any elector named in that entry to stand for election or to subscribe a nomination paper as the case may be, subject to the disqualifications referred to in section 22 of the Act,

(*b*) where a person has subscribed whether as proposer or seconder a larger number of nomination papers than there are vacancies to be filled, those of the papers so subscribed which have been first received, up to the number of vacancies to be filled, shall be deemed to be valid.

(*3*) Nothing contained in clause (*ii*), clause (*iii*), clause (*iv*) or clause (*v*) of sub-paragraph (*1*) shall be deemed to authorise the refusal of the nomination of any candidate on the ground of any irregularity in respect of a nomination paper, if the candidate has been duly nominated by means of another nomination paper in respect of which no irregularity has been committed.

(*4*) The Returning Officer shall not refuse any nomination paper on the ground of a slight technical defect such as the wrong spelling of a name.

15. (*1*) The Returning Officer shall endorse on each nomination paper his decision accepting or rejecting the same, and if the nomination paper is rejected, shall record in writing a brief statement of his reasons for such rejection.

(*2*) The scrutiny shall be completed on the day appointed in this behalf, and no adjournment or the proceedings shall be allowed.

16. (*1*) On completion of the scrutiny of nominations the Returning Officer shall forthwith prepare a list of valid nominations and cause it to be affixed in some conspicuous place in his office.

(*2*) In the case of uncontested returns the Returning Officer shall report the name or names of the candidate or candidates whom he declares to be elected to the Executive Officer and to the Election Officer, and thereupon the Election Officer shall after informing the candidate or candidates, cause the name or names of the candidate or candidates elected to be published in the *Calcutta Gazette*.

17. If the number of duly nominated candidates is greater than the number of vacancies the Returning Officer shall forthwith publish in the local newspapers, and in such other manner as the Election Officer may prescribe, and in such places in the constituency as he may consider necessary, the names of the candidates as given in the nomination papers in alphabetical order in English.

In the case of a constituency in which a seat is reserved for members of the Scheduled Castes, the Returning Officer shall in publishing the names of duly nominated candidates under this paragraph indicate by special mark, the names of candidates who belong to the Scheduled Castes.

18. (*1*) If a candidate by whom or on whose behalf the deposit referred to in sub-section (*3*) of section 27 of the Act, has been

(*2*) The deposit made in respect of a candidate shall, if it is not forfeited be returned to the candidate or to the person who has made the deposit on his behalf as soon as may be after the publication of the result of the election.

19. If a candidate who has been duly nominated dies after the date appointed for the scrutiny of nominations and before the date appointed for the taking of a poll, the Returning Officer shall, upon being satisfied of the fact of the death of the candidate countermand the poll and report the fact to the Election Officer, and all proceedings with reference to the election shall be commenced anew in all respects as if for a new election:

Provided that no fresh nomination or deposit shall be necessary in the case of a candidate who stood nominated at the time of the countermanding of the poll.

Polling.

20. The Election Officer shall appoint the hour at which the poll shall commence and the hour at which it shall close on the date appointed by the Provincial Government for the poll. The hours so fixed shall be published by notification at least three days before the election in the local newspapers, and in such other manner as the Election Officer may direct.

21. (*1*) The Election Officer shall select for each constituency as many polling stations as he thinks necessary and shall publish at least three days before the date of polling in such manner as he may consider necessary a list showing the polling stations so selected and the polling areas for which they have respectively been selected.

(*2*) The Election Officer shall appoint a Presiding Officer for each polling station and such other persons (hereinafter referred to as polling officers) to assist the Presiding Officer as he thinks necessary. The Election Officer may appoint additional polling officers during an election, if necessary.

(*3*) If the Presiding Officer, owing to illness or other unavoidable cause, is obliged to absent himself from the polling station, his functions shall be performed by such polling officer as may be authorised by the Election Officer to perform such functions, during any such absence; and the expression "Presiding Officer" in this Order shall be deemed to include a polling officer so authorised.

(*4*) The Election Officer shall make separate arrangement for the recording of votes by women electors provided that any woman elector may record her vote at the men's booth by notifying in writing to the Election Officer, at least four days before the date of polling, her intention of so doing.

22. (*1*) The Presiding Officer shall keep order at the polling station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time, and shall exclude all other persons except:—

(*a*) the polling officers, the candidates, their election agents and for each polling officer in the case of polling booths for men one agent and in the case of polling booths for females two female agents of each candidate (each such agent being hereinafter referred to as the polling agent) to be appointed in writing by the candidate and authorised in this behalf by the Election Officer;

(*b*) the police or other public servants on duty; and

(*c*) such other person as the Presiding Officer may from time to time admit for the purpose of identifying electors:

Provided that unless for special reasons the Presiding Officer otherwise directs, no male shall be admitted inside the polling station set apart under sub-paragraph (*4*) of paragraph 21 for the recording of votes by women electors.

(2) The Presiding Officer shall allow the polling agent of a candidate at the polling station to be relieved by another polling agent also duly appointed in writing by the candidate and authorized in this behalf by the Election Officer.

(3) The Presiding Officer shall close the polling station at the hour appointed in that behalf by the Election Officer under this Order so as to prevent the admission thereto of any elector after that hour, provided that all electors present at the polling station before it is so closed shall be entitled to have their votes recorded.

23. If any person misconducts himself at the polling station or fails to obey the lawful orders of the Presiding Officer he may immediately, by order of the Presiding Officer, be removed from the polling station by any police officer or by any other person authorised in writing by the Presiding Officer to remove him; and the person so removed shall not, unless with the permission of the Presiding Officer, be allowed again to enter the polling station during the day:

Provided that this power shall not be exercised so as to prevent any elector who is otherwise entitled to vote at any polling station from having an opportunity of voting at such station.

24. Each polling station shall be provided with such number of compartments as the Election Officer thinks necessary, in order to enable electors to mark ballot papers as quickly as possible and screened from observation.

25. (1) The Election Officer shall provide at each polling station materials sufficient for the purpose of enabling electors to mark the ballot papers, instruments for stamping the official mark on such papers, as many ballot boxes as may be necessary, and copies of the electoral roll or of such part thereof as contains the names of the electors entitled to vote at such station.

(2) The official mark shall be kept secret.

26. Every ballot box shall be so constructed that ballot papers can be introduced therein but cannot be withdrawn therefrom without the box being unlocked. The Presiding Officer shall immediately before the commencement of the poll at the polling station, show each ballot box to be used at the poll, to such persons as may be present in such station, so that they may see that it is empty, and shall then lock it up and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and shall place it in his view for the receipt of ballot papers and keep it so locked and sealed.

27. Before commencing the recording of votes, the Presiding Officer shall read to such persons as may be present the provisions of section 14 of the Indian Election Offences and Inquiries Act, 1920, and shall explain the substance thereof in Bengali, and in such other vernacular (if any) as to the Presiding Officer may appear to be necessary.

28. (1) Immediately before a ballot paper is delivered to an elector, it shall be marked on the back with the official mark, and the number, name and address of the elector as stated in the electoral roll shall be called out, and the number of the elector shall be entered on the counterfoil, and a mark shall be placed in a copy of the electoral roll against the number of the elector, to denote that he has received a ballot paper, but without showing the particular ballot paper which he has received. The counterfoil shall bear the name of the constituency and the name or distinctive number of the polling station shall be entered thereon by either the Presiding Officer or the polling officer.

(2) In deciding the right of a person to obtain a ballot paper for the purpose of voting at an election, the Presiding Officer may interpret an entry in the electoral roll so as to overlook merely clerical or printing errors but shall record his reasons for doing so, and the interpretation he has adopted, on the counterfoil of the ballot paper issued to such person.

29. The elector on receiving the ballot paper, shall forthwith proceed to one of the screened compartments in the polling station set apart for marking ballot papers by electors, and there mark on the ballot paper against the name of the candidate or candidates for whom he intends to vote in accordance with the instructions set out on the ballot paper, and fold it up, so as to conceal his vote, and shall put his ballot paper, so folded up, into the ballot box. Every elector shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box.

30. If the elector, owing to illiteracy or physical or other disability, is unable to read a ballot paper or to make a mark thereon, the Presiding Officer or polling officer shall mark the vote in the ballot paper according to the direction of the elector. The elector shall then himself, or with the assistance of the Presiding Officer, put the ballot paper folded up into the ballot box.

31. At any time before a ballot paper is delivered to an elector, the Presiding Officer or polling officer may, of his own accord, if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or his election agent or polling agent, put to the elector the following questions:—

(1) Are you the person enrolled as follows (reading the whole entry from the roll)? and,

(2) Have you already voted at the present election in this constituency as such voter?

and the elector shall not be supplied with a ballot paper if he refuses to answer any one of the questions and unless he answers the first question in the affirmative and the second question in the negative.

32. The ballot paper, in the case of a constituency in which a seat is reserved for members of the Scheduled Castes, shall be in Form II annexed to this Order and in the case of other constituencies shall be in Form III annexed to this Order. The ballot paper shall contain the names of the candidates arranged alphabetically in English. In the case of a constituency in which a seat is reserved for members of the Scheduled Castes the names of candidates belonging to the Scheduled Castes shall be indicated by special mark on the ballot paper. The names and the instructions in the form may be printed in such vernaculars as the Election Officer thinks fit having regard to each constituency. The ballot papers shall be serially numbered, the serial number being printed on the face of the counterfoil and on the back of the ballot paper.

33. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the Presiding Officer may ask, be entitled to mark a ballot paper in the same manner as any other elector. Such ballot paper (hereinafter referred to as a "tendered ballot paper") shall be of a colour different from the other ballot papers, and instead of being put into the ballot box, shall be given to the Presiding Officer and endorsed by him with the name of the elector and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the Returning Officer. The name of the elector and his number in the electoral roll and the name or distinctive number of the polling station to which the roll relates shall be entered in a list in Form IV annexed to this Order, which shall bear the heading "tendered votes list". The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in that list.

34. (*1*) If any polling agent declares in writing and undertakes to prove, or if the Presiding Officer for any reason is clearly of opinion, that any person by applying for a ballot paper has committed the offence of personation, the Presiding Officer shall require such person to enter in the list of challenged votes (which shall be in Form V annexed to this Order) his name and address, or if he is unable to write, to affix his thumb impression thereto. If such person refuses to comply with such requisition he shall not be permitted to vote, but if he does so comply, he shall be allowed to vote, after he has been warned of the penalty for personation, provided that he answers the questions mentioned in paragraph 31 in the manner laid down therein.

(*2*) The Presiding Officer shall in every case, whether or not the person is allowed to vote, make a note of the circumstances in the list of challenged votes.

35. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the Presiding Officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper, and the latter shall together with its counterfoil, be marked as cancelled by the Presiding Officer.

36. A Presiding Officer, polling officer, election agent or polling agent who being an elector of any constituency is duly authorised or appointed for duty at a polling station at which he is not entitled to vote may apply to the Returning Officer of the constituency for a certificate entitling him to vote at that polling station but at no other. On the production of such certificate he shall be allowed to vote at that polling station. The certificate shall be in Form VI annexed to this Order and a copy thereof shall be sent by the Returning Officer to the Presiding Officer of the polling station at which the elector would otherwise have been entitled to vote.

37. (*1*) A ballot paper shall be issued in the same manner as to any other elector to the person to whom a certificate has been granted under paragraph 36 on production of such certificate:

Provided that the Presiding Officer or the polling officer shall under paragraph 28 enter on the counterfoil of the ballot paper not only the name or distinctive number of the polling station at which the vote is recorded but also the name of the polling station at which such person would otherwise have been entitled to vote.

(*2*) The ballot papers issued under sub-paragraph (*1*) shall be dealt with in the following manner:—

(*a*) If the polling station at which the person is authorised or appointed for duty is in the same constituency as the one in which he is entitled to vote, then the provisions contained in paragraph 29 shall apply. The certificate produced under sub-paragraph (1) shall be filed by the Presiding Officer.

(*b*) If the polling station at which the person is authorised or appointed for duty is not in the same constituency as the one in which he is entitled to vote, then before a ballot paper is issued to such person under sub-paragraph (*1*) the Presiding Officer shall score out the names of candidates on the ballot paper and insert in it the names of the candidates for the constituency at which such person is entitled to vote indicating therein in the case where such constituency is one in which a seat is reserved for members of the Scheduled Castes the names of candidates belonging to those castes by special mark, and shall also revise, if necessary, the instructions printed on the ballot paper. The person shall then go inside the polling compartment and there mark on the ballot paper against the name of the candidate or candidates for whom he intends to vote in accordance with the instructions set out on the ballot paper, and fold it up so as to conceal his vote, and shall put his ballot paper so folded up in an envelope to be supplied to him by the Presiding Officer or the polling officer. The envelope shall then in the case where such person is not the Presiding Officer be handed over to the Presiding Officer. The Presiding Officer shall then seal up the envelope and keep it with him until the close of the poll. The Presiding Officer shall despatch the envelope together with the certificate produced under sub-paragraph (*1*) to the Returning Officer concerned as soon as practicable after the close of the poll.

38. The Presiding Officer shall, as soon as practicable after the close of the poll at a polling station, in the presence of any candidates or their election agents or polling agents who may be present, make up into separate parcels and seal with his own seal and the seal of such candidates or agents as may desire to affix their seal—

(*1*) each ballot box in use at each station unopened but with the key attached and the slit in the lid sealed up;

(*2*) the unused ballot papers;

(*3*) the tendered ballot papers;

(*4*) the spoilt ballot papers;

(*5*) the marked copy of the electoral roll and any certificates filed by the Presiding Officer under paragraph 37;

(*6*) the counterfoils of the ballot papers;

(*7*) the tendered votes list; and

(*8*) the list of challenged votes;

and shall deliver such packets or cause them to be delivered to the Returning Officer.

39. The packets shall be accompanied by a statement in Form VII annexed to this Order made by the Presiding Officer, showing the number of ballot papers entrusted to him, and accounting for them under the heads of ballot papers in the ballot box, unused, spoilt, and tendered ballot papers, and ballot papers dealt with under paragraph 37.

Scrutiny of votes.

40. The Election Officer shall appoint a date which shall be not later than a week after the polling day for the counting of votes. The Returning Officer shall fix the place and time at which the votes shall be counted on the date so appointed and shall give notice of such date, time and place in writing to all candidates and election agents.

41. (*1*) No person shall be allowed to be present at the counting of the votes except the Returning Officer and such persons as he may appoint to assist him in counting the votes, and such other persons as have a right to be present under sub-section (*5*) of section 29 of the Act.

(*2*) No person shall be appointed to assist in counting the votes, who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

42. On the day and at the time appointed under paragraph 40 the Returning Officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Election Offences and Inquiries Act, 1920, to such persons as may be present and shall then proceed as follows:—

(*a*) The ballot box or boxes relating to each polling station shall be opened one after another, and the Returning Officer shall take out the papers therefrom, count them or cause them to to be counted, and record the number thereof in a statement. The Returning Officer shall then open the envelopes, if any, despatched to him under clause (*b*) of sub-paragraph (*2*) of paragraph 37, take out the ballot papers therefrom and record the number of such ballot papers in the said statement. Such statement shall not be shown to any candidate or agent.

(*b*) The Returning Officer shall then mix together all the ballot papers so taken out from the ballot boxes and the envelopes and distribute them in convenient bundles to the persons appointed to assist in counting the votes.

(*c*) When the ballot papers have been so distributed, but not before, the Returning Officer shall allow the candidates and their representatives duly authorised under sub-section (*5*) of section 29 of the Act, reasonable opportunity to inspect, without handling the ballot papers, and shall on every ballot paper which is wholly or partially rejected endorse the word "Rejected". If any candidate or his representative present questions, the correctness of the rejection, he shall also record on the ballot paper the grounds for the rejection. No candidate or representative shall be allowed to see the serial number on the back of any ballot paper.

(*d*) The Returning Officer, shall, as far as practicable, proceed continuously with the counting of the votes; and shall, during any necessary intervals during which the counting has to be suspended, place the ballot papers, packets and other documents relating to the election under his own seal and the seals of such candidates or representatives as may desire to affix them and shall cause adequate precautions to be taken for their safe custody.

43. (*1*) A ballot paper shall be rejected if—

(*a*) it has not on its back the official mark,

(*b*) the number of votes recorded thereon exceeds the number of vacancies to be filled,

(*c*) no vote is recorded thereon,

(*d*) it is void for uncertainty,

(*e*) it bears any mark by which the elector can be identified.

(*2*) In a constituency in which a seat is reserved for members of the Scheduled Castes, the ballot paper shall be also rejected if the number of votes recorded thereon in favour of candidates not belonging to the Scheduled Castes exceeds the number of seats in that constituency not reserved for members of those castes.

(*3*) The decision of the Returning Officer as to the validity of a ballot paper shall be final, subject only to reversal by the orders of a Court of competent jurisdiction.

44. The Returning Officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statement submitted by the Presiding Officer under paragraph 39 by comparing it with the statement prepared under clause (*a*) of paragraph 42 and with the number of counted votes and the rejected ballot papers, the unused ballot papers in his possession and tendered votes list, shall then reclose and re-seal each packet which has been opened by him, make up into packets the ballot papers which have been counted and seal such packets, and shall record on each packet a description of its contents and the date of the election to which it refers.

45. The Returning Officer shall then prepare and certify a return setting forth—

(*1*) the result of the verification referred to in paragraph 44,

(*2*) the names of the candidates for whom valid votes have been given,

(*3*) the number of valid votes given for each candidate,

(*4*) the name or names of the candidate or candidates elected,

(*5*) the number of votes declared invalid, and

(*6*) the number of tendered votes given,

and shall permit any candidate or any representative duly authorised under sub-section (*5*) of section 29 of the Act to take a copy of or an extract from such return.

46. The Returning Officer shall, after reporting the result of the election send the return and all packets relating to the election in his possession to the Election Officer. The Election Officer as soon as he receives the return and the packets shall forward them to the Executive Officer for safe custody.

47. While in the custody of the Executive Officer the packets of ballot papers, whether counted, rejected or tendered, and of the counterfoils, thereof, shall not be opened and their contents shall not be inspected or produced except under the order of a Court of competent jurisdiction but all other documents relating to the election shall be open to public inspection subject to such conditions as the Executive Officer may impose.

No. 1191M.—4th August 1939.—The following draft of rules which, in exercise of the powers conferred by sub-section (*2*) of section 25 of the Calcutta Municipal Act, 1923 (Bengal Act III of 1923), and in supersession of the rules published with notification No. 4734M., dated the 24th November 1924, as subsequently amended, the Governor proposes to make for the preparation and publication of the electoral roll for the purposes of the election of the Councillors under the said Act, is published for the information of persons likely to be affected thereby.

2. The draft will be taken into consideration on or after the 10th October 1939, and any objection or suggestion with respect thereto which may be received by the undersigned before that date will be duly considered:—

Draft Rules for the Preparation and Publication of the Electoral Roll.

1. In these rules unless there is anything repugnant in the subject or context,—

(*1*) "the Act" means the Calcutta Municipal Act, 1923 (Bengal Act III of 1923);

(*2*) "constituency" means one of the constituencies specified in Schedule III to the Act.

2. (*1*) The electoral roll of every constituency shall be prepared and published by the authority (referred to in these rules as the "Registering Authority") appointed in this behalf by the Provincial Government by notification in the *Calcutta Gazette.*

(2) For the purpose of the preparation and publication of the electoral roll, the Registering Authority may employ such agency as he thinks fit.

3. No person shall be included in the electoral roll of a General, Muhammadan or Anglo-Indian Constituency by virtue of the qualifications specified in clause (*b*) or clause (*c*) of sub-section (*1*) of section 20 of the Act unless his name is entered in the register maintained under the said clause on an application made by him in that behalf under that clause to the Executive Officer.

Every such application shall be made in form A or form B, as the case may be, annexed to these rules and it shall contain a declaration about the correctness of the particulars mentioned therein and the said declaration shall be signed by such person, in the case referred to in the said clause (*b*) in the presence of the owner or any of the owners of the premises or part of the premises in respect of which the rent referred to in that clause was paid by such person, and in the case referred to in the said clause (*c*) in the presence of the owner or any of the owners of the *bustee* referred to in that clause. The application shall also be accompanied by another declaration by the owner or owners of such premises or *bustee* regarding the correctness of the statement made therein about the occupancy of such premises or part thereof and the amount of rent paid in respect thereof or the ownership of any hut in such *bustee* and the amount of consolidated rate paid in respect thereof, as the case may be, during the period referred to in the said application.

4. The electoral roll of every constituency shall be prepared in English, but in order to give it wide publicity, the Registering Authority may, if he thinks fit, also prepare and publish or cause to be prepared and published a copy of the roll in such other language or languages as he may consider necessary.

5. On or before the 15th day of November immediately preceding each general election, the Registering Authority shall prepare or cause to be prepared a complete electoral roll (hereinafter referred to as the preliminary roll) for each constituency containing the names of all persons who appear to the Registering Authority to be entitled to be registered as electors for that constituency.

6. In the case of a General, Muhammadan or Anglo-Indian constituency, the preliminary roll shall be prepared ward by ward, but the Registering Authority may, if he thinks fit, prepare a consolidated preliminary roll for several wards comprising a constituency or part of a constituency. The Registering Authority may also sub-divide the roll in such other manner or into such other parts as he may deem expedient for the purpose of facilitating the preparation of the roll.

7. (*1*) The names of electors registered in the preliminary roll or any part of the preliminary roll of any such constituency as aforesaid shall be arranged in accordance with the alphabetical order (in English) of the names of the streets and the serial numbering of the premises in such streets contained in the said roll or part of the roll as the case may be.

(*2*) In the case of a constituency in which a seat is reserved for members of the Scheduled Castes, the caste of each elector belonging to the Scheduled Castes shall be indicated in the preliminary roll against the name of such elector.

(*3*) Where a person is registered as the representative of any company, body corporate, firm, joint family or other association of individuals, or as the manager of a lunatic or the guardian of a minor, a distinctive sign or mark shall be placed against his name in the preliminary roll to indicate the fact.

(*4*) Persons qualified as electors under clause (*b*) or cause (*c*) of sub-section (*1*) of section 20 of the Act shall also have a distinctive sign or mark placed against their names in the preliminary roll unless it is decided to publish their names in a separate part or parts of the preliminary roll.

8. In the case of a special constituency, the preliminary roll shall be in such form as the Registering Authority may direct. It shall contain the names of the persons registered as electors arranged alphabetically (in English) with their addresses.

9. In the case of the labour constituency, the preliminary roll shall be prepared ward by ward, but the Registering Authority may, if he thinks fit, prepare a consolidated preliminary roll for the entire labour constituency. The Registering Authority may also sub-divide the roll in such other manner or into such other parts as he may deem expedient for the purpose of facilitating the preparation of the roll. The names of the electors registered in the roll or any part thereof shall be arranged in accordance with the alphabetical order (in English) of the names of the Trade Unions of which they are members.

10. (*1*) Before the preparation of the preliminary roll of the labour constituency is taken in hand, the Registering Authority shall cause a notice to be issued calling upon each trade union which has its registered office within the limits of Calcutta and which is recognised in accordance with the provisions of paragraph 18 of Part IV of the Government of India (Provincial Legislative Assemblies) Order, 1936, to submit to him within such time and in such form as may be specified by him in this behalf, a list of its ordinary members who are qualified as electors of the said constituency under sub-section (*4*) of section 20 of the Act together with a copy of the certificate of recognition issued to it in accordance with the provisions of sub-paragraph (*2*) of paragraph 18 of Part IV of the said Order.

(*2*) Notice under sub-rule (*1*) shall be issued to each trade union referred to in that sub-rule and a copy of the notice shall also be published in the manner provided in clause (*c*) of rule 12 as well as in such local newspapers as the Registering Authority may deem fit.

11. For the purpose of satisfying himself as to the correctness of the list of members submitted by a trade union under rule 10, the Registering Authority may require any trade union to produce before him within such time as he may fix in this behalf, any register, record or document of such union, and may call upon any officer or member of a trade union to appear before him for oral examination on a date or dates to be fixed by him.

12. The preliminary roll prepared as above for every constituency shall be published by the Registering Authority not later than the 15th day of November referred to in rule 5 in the manner following and otherwise as he may think fit to give it wide publicity in the constituency:—

(*a*) In the case of a constituency other than a special or the labour constituency, by affixing for public inspection a complete copy of the roll at the Central Municipal Office and at the following other places:—

(*i*) the Municipal District office or offices, and such other Corporation office or offices as the Registering Authority may think fit, situated within the constituency concerned, or within the jurisdiction of which the constituency or any part of it may be situated.

(*ii*) one or more of the police-station or stations situated within the constituency or within the jurisdiction of which the constituency or any part of it may be situated,

(*iii*) one or more of the Post Offices, as the Registering Authority may think fit, situated within the constituency, and

(*iv*) municipal markets and such public reading rooms and public libraries as the Registering Authority may think fit.

(*b*) In the case of a special constituency, by affixing, for public inspection, a complete copy of the roll at the Central Municipal Office and at the office or offices of the Chamber, Association or the Commissioners of the Port of Calcutta, constituting the constituency as the case may be.

(*c*) In the case of the labour constituency, by affixing for public inspection a complete copy of the roll at the Central Municipal Office, at the registered office of each trade union which has such office within the limits of Calcutta and which is recognised in accordance with the provisions of paragraph 18 of Part IV of the Government of India (Provincial Legislative Assemblies) Order, 1936, and at such other places as the Registering Authority may consider necessary.

13. Printed copies of the preliminary roll shall be sold to the public at such prices as may from time to time be fixed by the Executive Officer.

14 For the purpose of the disposal of claims for being included and objections to the inclusion of any name in the electoral roll, the Registering Authority may, with the previous approval of the Provincial Government, appoint in writing a person or persons to perform all or any of the duties of the Revising Authority in respect of any constituency or part of a constituency:

Provided that no Councillor or Alderman shall be a Revising Authority.

15. Along with the preliminary roll of every constituency, published as above, a notice shall be simultaneously published in the constituency, and a notice of the publication of the preliminary roll shall also be given by advertisement in local papers, specifying for such constituency or any part of it, the Revising Authority to whom, the place at which, the period within which, and the manner in which, claims for being included in the electoral roll or objections to the inclusion of any name in the electoral roll shall have to be preferred.

16. Claims and objections shall be preferred in respect of the preliminary roll of any constituency not later than the 20th day of December next following the month of November referred to in rule 5. The Revising Authority shall not entertain any claim or objection received by him after 5 p.m. on that date.

17. All claims and objections shall be in writing and signed by the person making them and shall state the grounds on which they are based, and where they relate to an entry in the preliminary roll shall give the reference to or the particulars of that entry.

18. Every person whose claim or objection is received in time shall be served with a notice by the Revising Authority specifiying the place where and the time when his claim or objection will be heard, and he may produce or cause to be produced such evidence as he may wish to adduce, but in the absence of such evidence the Revising Authority shall decide the matter on the entries appearing in the records of the Corporation.

19. When objection is made by any person whose name is on the preliminary roll to the inclusion of the name of any other person recorded therein, the Revising Authority shall serve on such other person a notice stating the grounds of such objection and specifying the place and the time fixed for the hearing of such objection, where and when such other person may attend with such evidence as he may wish to adduce:

Provided that if any objection shall appear to the Revising Authority to be frivolous or to have been made on irrelevant grounds he shall cause to be served on the person making the objection a notice calling

upon him to appear and substantiate his objection either in person or by agent on a specific date, and in such a case no notice shall be served upon the other person until the Revising Authority is satisfied that the objection is well founded, and if the person making the objection shall for any reason fail to appear and substantiate his objection, either in person or by agent on the specified date, the Revising Authority shall proceed as if no objection had been made.

20. Every notice issued by the Revising Authority shall be in writing and shall be served at the address as entered in the preliminary roll or at such other address as may be specified by the claimant or objector in his notice of claim or objection, the person objected to being served only at the address given in the roll, provided that a notice may be served by the Revising Authority by sending it to the person concerned by post.

The notice to be issued to the person objected to shall be either posted seven days before the date fixed for hearing the objection, or served three days before that date if served otherwise than by post.

21. The Registering Authority shall cause to be published from time to time on the notice-board at the Central Municipal Office, a notice showing generally the date on which and the places at which the Revising Authority will sit for hearing claims and objections.

22. The Revising Authority shall dispose of all claims and objections by a date to be fixed by the Registering Authority.

23. On the date fixed for the hearing or on such other date to which the hearing may be adjourned, the Revising Authority shall hold a summary inquiry into the claims or objections preferred, and shall record his orders either allowing or disallowing the claims or objections. He shall also decide on any application or reference made by the Registering Authority for making corrections in the preliminary roll. For the purposes of the inquiry the preliminary roll as published shall be presumed to be correct and complete until the contrary has been proved.

24. (*1*) The orders of the Revising Authority shall be communicated by him to the Registering Authority, who shall cause the roll to be amended in accordance therewith and shall endorse the same in token that this has been done.

(*2*) The roll thus amended shall be the final electoral roll and shall thereupon be published by the Registering Authority in the manner prescribed for the publication of the preliminary roll in rule 12.

25. It shall be the duty of the Executive Officer to produce all relevant or necessary documents or papers in his power or possession and otherwise render necessary assistance to the Registering Authority and the Revising Authority in the discharge of their duties.

26. Printed copies of the final electoral roll shall be sold to the public at such prices as may from time to time be fixed by the Executive Officer.

27. All costs incurred in connection with the preparation and printing of the electoral roll, the publication of notices and taking any other action under these rules, shall be payable from the Municipal Fund:

Provided that if the Registering Authority and other persons employed in connection with the preparation and publication of the electoral roll are servants of the Crown, they shall be paid by the Provincial Government such emoluments as may be fixed by the Provincial Government and the Corporation shall, out of the Municipal Fund, pay to the Provincial Government the amounts of emoluments so fixed.

(*1*) The Election Officer may appoint as many Returning Officers as he thinks fit, provided that there shall not be more than one Returning Officer for the same constituency and provided also that no person shall be appointed as the Returning Officer of any constituency of which he is an elector.

(*2*) The Election Officer may at any time, for reasons to be recorded in writing, remove any Returning Officer appointed by him and appoint another in his place, and may also appoint a substitute to act as Returning Officer during any temporary disability of the Returning Officer.

Nominations.

3. The Provincial Government shall appoint—

(*a*) a date not less than one month before the date fixed for the general elections under sub-section (*3*) of section 45 of the Act by which the nomination of candidates shall be made; and

(*b*) a further date not later than the seventh day after the first mentioned date for the scrutiny of nominations.

4. Nominations shall be made by means of a nomination paper in Form I annexed to these rules copies of which will be obtainable at the Central Municipal Office. Each candidate shall be nominated by separate nomination paper.

5. On or before the date so appointed for the nomination of candidates, each candidate shall either in person or by his proposer or by his seconder or by his election agent, between the hours of 12 o'clock noon and 5 o'clock in the afternoon, deliver to the Returning Officer or to such other person as may be authorised in this behalf a nomination paper completed in Form I annexed to these rules and subscribed by the candidate himself as assenting to the nomination and by two persons as proposer and seconder whose names are registered on the electoral roll of the constituency for which the candidate is nominated:

Provided that a nomination paper signed by a duly authorised attorney on behalf of the candidate shall, for the purpose of this rule, be held to be signed by the candidate himself as assenting to his nomination.

6. Any person whose name is registered on the electoral roll of the constituency, and who is not subject to any disability as set forth in section 22 of the Act may subscribe in all, whether as proposer or seconder, as many nomination papers as there are vacancies to be filled.

7. Every nomination paper delivered under rule 5 shall be accompanied by a declaration in writing subscribed by the candidate in the manner laid down in sub-section (*2*) of section 27 of the Act.

8. Any nomination paper which is not received before 5 o'clock in the afternoon on the date appointed by the Provincial Government under clause (*a*) of rule 3 shall be rejected.

9. On the presentation of a nomination paper, the Returning Officer shall satisfy himself that the names and numbers on the electoral roll of the candidate and his proposer and seconder as entered in the nomination paper are the same as those entered in the electoral roll. Where necessary he shall direct that the former be amended so as to be in accordance with the latter.

It shall be also competent for the Returning Officer to alter or amend any entry in the nomination paper presented to him with a view to ensuring accurate and adequate publication under rule 10 of the names of candidates and of persons who have subscribed the nomination paper as proposer and seconder.

10. The Returning Officer or other person authorised shall, on receiving a nomination paper under rule 5, inform the person or persons delivering the same of the date, hour and place appointed for the scrutiny of nomination, and shall enter in the nomination paper its serial number and shall sign thereon a certificate stating the date on which and the hour at which the nomination paper has been delivered to him; and shall, as soon as may be thereafter, cause to be affixed in some conspicuous place in his office a notice of the nomination containing descriptions, similar to those contained in the nomination paper, both of the candidate and of the persons who have subscribed the nomination paper as proposer and seconder.

11. A proposer or a seconder once having signed a nomination paper shall not be allowed to withdraw.

12. A candidate may withdraw his candidature under sub-section (*3*) of section 27 of the Act by notice in writing subscribed by him and delivered to the Election Officer. The Election Officer shall on receiving such notice of withdrawal, as soon as may be, cause such notice to be affixed in some conspicuous place in his office and in the office of the Returning Officer of the constituency in regard to which the withdrawal has taken place.

If any candidate withdraws his candidature within three days of the date of election, the name of such candidate shall be deemed to be omitted from the ballot paper notwithstanding the fact that his name is shown on the ballot paper.

Scrutiny of Nominations.

13. On the date appointed by the Provincial Government under rule 3 for the scrutiny of nomination, the candidates, their election agents, every proposer and every seconder of each candidate, and one other person duly authorised in writing by each candidate, but no other person, may attend at such time and place as the Election Officer may appoint, and the Returning Officer shall give them all reasonable facilities for examining the nomination papers of all candidates which have been delivered within the time.

14. (*1*) The Returning Officer shall then examine the nomination papers and shall decide all objections which may be made to any nomination, and may, either on such objection or on his own motion, after such summary inquiry, if any, as he thinks necessary, refuse any nomination on any of the following grounds:—

(*i*) that the candidate is ineligible for election in accordance with the provisions of the Act, or

(*ii*) that the proposer or seconder is disqualified from subscribing the nomination paper under rule 6, or

(*iii*) that there has been any failure to comply with any of the provisions of the Act or of these rules relating to the nomination of candidates, or any failure to comply with the provisions of the Act relating to the deposit to be made by candidates under sub-section (*3*) of section 27 of the Act,

(*iv*) that the candidate or the proposer or seconder is not identical with the person whose electoral number is given in the nomination paper as the number of such candidate, proposer or seconder, as the case may be, or

(*v*) that the signature of the candidate or the proposer or seconder is not genuine.

(*2*) For the purposes of this rule—

(*a*) an entry in the electoral roll of any constituency shall be conclusive evidence of the right of any elector named in that entry to stand for election or to subscribe a nomination paper as the case may be, subject to the disqualifications referred to in section 22 of the Act,

(*b*) where a person has subscribed whether as proposer or seconder a larger number of nomination papers than there are vacancies to be filled, those of the papers so subscribed which have been first received, up to the number of vacancies to be filled, shall be deemed to be valid.

(*3*) Nothing contained in clause (*ii*), clause (*iii*), clause (*iv*) or clause (*v*) of sub-rule (*1*) shall be deemed to authorise the refusal of the nomination of any candidate on the ground of any irregularity in respect of a nomination paper, if the candidate has been duly nominated by means of another nomination paper in respect of which no irregularity has been committed.

(*4*) The Returning Officer shall not refuse any nomination paper on the ground of a slight technical defect such as the wrong spelling of a name.

15. (*1*) The Returning Officer shall endorse on each nomination paper his decision accepting or rejecting the same, and if the nomination paper is rejected, shall record in writing a brief statement of his reasons for such rejection.

(*2*) The scrutiny shall be completed on the day appointed in this behalf, and no adjournment of the proceedings shall be allowed.

16. (*1*) On completion of the scrutiny of nominations the Returning Officer shall forthwith prepare a list of valid nominations and cause it to be affixed in some conspicuous place in his office.

(*2*) In the case of uncontested returns the Returning Officer shall report the name or names of the candidate or candidates whom he declares to be elected to the Executive Officer and to the Election Officer, and thereupon the Election Officer shall after informing the candidate or candidates, cause the name or names of the candidate or candidates elected to be published in the *Calcutta Gazette*.

17. If the number of duly nominated candidates is greater than the number of vacancies the Returning Officers shall forthwith publish in the local newspapers, and in such other manner as the Election Officer may prescribe, and in such places in the constituency as he may consider necessary, the names of the candidates as given in the nomination papers in alphabetical order in English.

In the case of a constituency in which a seat is reserved for members of the Scheduled Castes, the Returning Officer shall in publishing the names of duly nominated candidates under this rule indicate by special mark, the names of candidates who belong to the Scheduled Castes.

18. (*1*) If a candidate by whom or on whose behalf the deposit referred to in sub-section (*3*) of section 27, of the Act, has been made withdraws his candidature more than seven days before the date fixed for the election, or if the nomination of any such candidate is refused, the deposit shall be returned to the person by whom it was made; and if any candidate dies before the commencement of the poll, any such deposit, if made by him, shall be returned to his legal representatives or, if not made by the candidate, shall be returned to the persons by whom it was made.

(*2*) The deposit made in respect of a candidate shall, if it is not forfeited be returned to the candidate or to the person who has made the deposit on his behalf as soon as may be after the publication of the result of the election.

19. If a candidate who has been duly nominated dies after the date appointed for the scrutiny of nominations and before the date appointed for the taking of a poll, the Returning Officer shall, upon being satisfied of the fact of the death of the candidate countermand the poll and report the fact to the Election Officer, and all proceedings with reference to the election shall be commenced anew in all respects as if for a new election:

Provided that no fresh nomination or deposit shall be necessary in the case of a candidate who stood nominated at the time of the countermanding of the poll.

Polling.

20. The Election Officer shall appoint the hour at which the poll shall commence and the hour at which it shall close on the date appointed by the Provincial Government for the poll. The hours so fixed shall be published by notification at least three days before the election in the local newspapers, and in such other manner as the Election Officer may direct.

21. (*1*) The Election Officer shall select for each constituency as many polling stations as he thinks necessary and shall publish at least three days before the date of polling in such manner as he may consider necessary a list showing the polling stations so selected and the polling areas for which they have respectively been selected.

(*2*) The Election Officer shall appoint a Presiding Officer for each polling station and such other persons (hereinafter referred to as polling officers) to assist the Presiding Officer as he thinks necessary. The Election Officer may appoint additional polling officers during an election, if necessary.

(*3*) If the Presiding Officer, owing to illness or other unavoidable cause, is obliged to absent himself from the polling station, his functions shall be performed by such polling officer as may be authorised by the Election Officer to perform such functions, during any such absence; and the expression "Presiding Officer" in these rules shall be deemed to include a polling officer so authorised.

22. (*1*) The Presiding Officer shall keep order at the polling station, shall see that the election is fairly conducted, shall regulate the number of electors to be admitted at one time, and shall exclude all other persons except:—

(*a*) the polling officers, the candidates, their election agents and for each pooling officer in the case of polling booths for men one agent and in the case of polling booths for females two female agents of each candidate (each such agent being hereinafter referred to as the polling agent) to be appointed in writing by the candidate and authorised in this behalf by the Election Officer;

(*c*) such other person as the Presiding Officer may from time to time admit for the purpose of identifying electors:

(*2*) The Presiding Officer shall allow the polling agent of a candidate at the polling station to be relieved by another polling agent also duly appointed in writing by the candidate and authorized in this behalf by the Election Officer.

(3) The Presiding Officer shall close the polling station at the hour appointed in that behalf by the Election Officer under these rules so as to prevent the admission thereto of any elector after that hour, provided that all electors present at the polling station before it is so closed shall be entitled to have their votes recorded.

23. If any person misconducts himself at the polling station or fails to obey the lawful orders of the Presiding Officer he may immediately, by order of the Presiding Officer, be removed from the polling station by any police officer or by any other person authorised in writing by the Presiding Officer to remove him; and the person so removed shall not, unless with the permission of the Presiding Officer, be allowed again to enter the polling station during the day:

Provided that this power shall not be exercised so as to prevent any elector who is otherwise entitled to vote at any polling station from having an opportunity of voting at such station.

24. Each polling station shall be provided with such number of compartments as the Election Officer thinks necessary, in order to enable electors to mark ballot papers as quickly as possible and screened from observation.

25. (1) The Election Officer shall provide at each polling station materials sufficient for the purpose of enabling electors to mark the ballot papers, instruments for stamping the official mark on such papers, as many ballot boxes as may be necessary, and copies of the electoral roll or of such part thereof as contains the names of the electors entitled to vote at such station.

(2) The official mark shall be kept secret.

26. Every ballot box shall be so constructed that ballot papers can be introduced therein but cannot be withdrawn therefrom without the box being unlocked. The Presiding Officer shall immediately before the commencement of the poll at the polling station, show each ballot box to be used at the poll, to such persons as may be present in such station, so that they may see that it is empty, and shall then lock it up and place his seal upon it in such manner as to prevent its being opened without breaking such seal, and shall place it in his view for the receipt of ballot papers and keep it so locked and sealed.

27. Before commencing the recording of votes, the Presiding Officer shall read to such persons as may be present the provisions of section 14 of the Indian Election Offences and Inquiries Act, 1920, and shall explain the substance thereof in Bengali, and in such other vernacular (if any) as to the Presiding Officer may appear to be necessary.

28. (1) Immediately before a ballot paper is delivered to an elector, it shall be marked on the back with the official mark, and the number, name and address of the elector as stated in the electoral roll shall be called out, and the number of the elector shall be entered on the counterfoil, and a mark shall be placed in a copy of the electoral roll against the number of the elector, to denote that he has received a ballot paper, but without showing the particular ballot paper which he has received. The counterfoil shall bear the name of the constituency and the name or distinctive number of the polling station shall be entered thereon by either the Presiding Officer or the polling officer.

(2) In deciding the right of a person to obtain a ballot paper for the purpose of voting at an election, the Presiding Officer may interpret an entry in the electoral roll so as to overlook merely clerical or printing errors but shall record his reasons for doing so, and the interpretation he has adopted, on the counterfoil of the ballot paper issued to such person.

29. The elector on receiving the ballot paper, shall forthwith proceed to one of the screened compartments in the polling station set apart for marking ballot papers by electors, and there mark on the ballot paper against the name of the candidate or candidates for whom he intends to vote in accordance with the instructions set out on the ballot paper, and fold it up, so as to conceal his vote, and shall put his ballot paper, so folded up, into the ballot box. Every elector shall vote without undue delay and shall quit the polling station as soon as he has put his ballot paper into the ballot box.

30. If the elector, owing to illiteracy or physical or other disability, is unable to read a ballot paper or to make a mark thereon, the Presiding Officer or polling officer shall mark the vote in the ballot paper according to the direction of the elector. The elector shall then himself, or with the assistance of the Presiding Officer, put the ballot paper folded up into the ballot box.

31. At any time before a ballot paper is delivered to an elector, the Presiding Officer or polling officer may, of his own accord, if he has reason to doubt the identity of the elector or his right to vote at such station, and shall, if so required by a candidate or his election agent or polling agent, put to the elector the following questions:—

(1) Are you the person enrolled as follows (reading the whole entry from the roll)? and,

(2) Have you already voted at the present election in this constituency as such voter?

and the elector shall not be supplied with a ballot paper if he refuses to answer any one of the questions and unless he answers the first question in the affirmative and the second question in the negative.

32. The ballot paper, in the case of a constituency in which a seat is reserved for members of the Scheduled Castes, shall be in Form II annexed to these rules and in the case of other constituencies shall be in Form III annexed to these rules The ballot paper shall contain the names of the candidates arranged alphabetically in English. In the case of a constituency in which a seat is reserved for members of the Scheduled Castes the names of candidates belonging to the Scheduled Castes shall be indicated by special mark on the ballot paper. The names and the instructions in the form may be printed in such vernaculars as the Election Officer thinks fit having regard to each constituency The ballot papers shall be serially numbered, the serial number being printed on the face of the counterfoil and on the back of the ballot paper.

33. If a person representing himself to be a particular elector named on the electoral roll applies for a ballot paper after another person has voted as such elector, the applicant shall, after duly answering such questions as the Presiding Officer may ask, be entitled to mark a ballot paper in the same manner as any other elector Such ballot paper (hereinafter referred to as a "tendered ballot paper") shall be of a colour different from the other ballot papers, and instead of being put into the ballot box, shall be given to the Presiding Officer and endorsed by him with the name of the elector and his number on the electoral roll and the name of the electoral area to which the roll relates and shall be set aside in a separate packet and shall not be counted by the Returning Officer The name of the elector and his number in the electoral roll and the name or distinctive number of the polling station to which the roll relates shall be entered in a list in Form IV annexed to these rules, which shall bear the heading "tendered votes list." The person tendering such ballot paper shall sign his name and address thereon or affix his thumb impression against the entry in that list.

34 (*1*) If any polling agent declares in writing and undertakes to prove, or if the Presiding Officer for any reason is clearly of opinion, that any person by applying for a ballot paper has committed the offence of personation, the Presiding Officer shall require such person to enter in the list of challenged votes (which shall be in Form V annexed to these rules) his name and address, or if he is unable to write, to affix his thumb impression thereto. If such person refuses to comply with such requisition he shall not be permitted to vote, but if he does so comply, he shall be allowed to vote, after he has been warned of the penalty for personation, provided that he answers the question mentioned in rule 31 in the manner laid down therein.

(*2*) The Presiding Officer shall in every case, whether or not the person is allowed to vote, make a note of the circumstances in the list of challenged votes.

35. A voter who has inadvertently dealt with his ballot paper in such a manner that it cannot conveniently be used as a ballot paper may, on delivering it to the Presiding Officer and satisfying him of the inadvertence, obtain another ballot paper in place of the spoilt paper, and the latter shall together with its counterfoil, be marked as cancelled by the Presiding Officer.

36. A Presiding Officer, polling officer, election agent or polling agent who being an elector of any constituency is duly authorised or appointed for duty at a polling station at which he is not entitled to vote may apply to the Returning Officer of the constituency for a certificate entitling him to vote at that polling station but at no other. On the production of such certificate he shall be allowed to vote at that polling station The certificate shall be in Form VI annexed to these rules and a copy thereof shall be sent by the Returning Officer to the Presiding Officer of the polling station at which the elector would otherwise have been entitled to vote.

37. (*1*) A ballot paper shall be issued in the same manner as to any other elector to the person to whom a certificate has been granted under rule 36 on production of such certificate:

Provided that the Presiding Officer or the polling officer shall under rule 28 enter on the counterfoil of the ballot paper not only the name or distinctive number of the polling station at which the vote is recorded but also the name of the polling station at which such person would otherwise have been entitled to vote

(*2*) The ballot papers issued under sub-rule (*1*) shall be dealt with in the following manner:—

(*a*) If the polling station at which the person is authorised or appointed for duty is in the same constituency as the one in which he is entitled to vote, then the provisions contained in rule 29 shall apply. The certificate produced under sub-rule (*1*) shall be filed by the Presiding Officer.

(*b*) If the polling station at which the person is authorised or appointed for duty is not in the same constituency as the one in which he is entitled to vote, then before a ballot paper is issued to such person under sub-rule (*1*) the Presiding Officer shall score out the names of candidates on the ballot paper and insert in it the names of the candidates for the constitutency at which such person is entitled to vote indicating therein in the case where such constituency is one in which a seat is reserved for members of the Scheduled Castes the names of candidates belonging to those castes by special mark, and shall also revise, if necessary, the instructions printed on the ballot paper. The person shall then go inside the polling compartment and there mark on the ballot paper against the name of the candidate or candidates for whom he intends to vote in accordance with the instructions set out on the ballot paper, and fold it up so as to conceal his vote, and shall put his ballot paper so folded up in an envelope to be supplied to him by the Presiding Officer or the polling officer. The envelope shall then in the case where such person is not the Presiding Officer be handed over to the Presiding Officer. The Presiding Officer shall then seal up the envelope and keep it with him until the close of the poll. The Presiding Officer shall despatch the envelope together with the certificate produced under sub-rule (*1*) to the Returning Officer concerned as soon as practicable after the close of the poll.

38. The Presiding Officer shall, as soon as practicable after the close of the poll at a polling station, in the presence of any candidates or their election agents or polling agents who may be present, make up into separate parcels and seal with his own seal and the seal of such candidates or agents as may desire to affix their seal—

(*5*) the marked copy of the electoral roll and any certificates filed by the Presiding Officer under rule 37;

(*6*) the counterfoils of the ballot papers;

(7) the tendered votes list; and

(8) the list of challenged votes;

and shall deliver such packets or cause them to be delivered to the Returning Officer.

39. The packets shall be accompanied by a statement in Form VII annexed to these rules made by the Presiding Officer, showing the number of ballot papers entrusted to him, and accounting for them under the heads of ballot papers in the ballot box, unused, spoilt, and tendered ballot papers, and ballot papers dealt with under rule 37.

Scrutiny of votes.

40. The Election Officer shall appoint a date which shall be not later than a week after the polling day for the counting of votes. (2) No person shall be appointed to assist in counting the votes, who has been employed by or on behalf of any candidate for any purpose whatsoever connected with the election.

42. On the day and at the time appointed under rule 40 the Returning Officer shall, before he commences to count the votes, read the provisions of section 14 of the Indian Election Offences and Inquiries Act, 1920, to such persons as may be present and shall then proceed as follows:—

(a) The ballot box or boxes relating to each polling station shall be opened one after another, and the Returning Officer shall take out the papers therefrom, count them or cause them to to be counted, and record the number thereof in a statement. 44. The Returning Officer shall not open the sealed packets of the tendered votes, the marked copy of the electoral roll or the counterfoils of the ballot papers. He shall verify the statement submitted by the Presiding Officer under rule 39 by comparing it with the statement prepared under clause (*a*) of rule 42 and with the number of counted votes and the rejected ballot papers, the unused ballot papers in his possession and tendered votes list, shall then reclose and re-seal each packet which has been opened by him, made up into packets the ballot papers which have been counted and seal such packets, and shall record on each packet a description of its contents and the date of the election to which it refers.

Agreement.

MEMORANDUM OF AGREEMENT MADE this first day of August one thousand nine hundred and thirty-nine between the Aluminium Corporation of India, Limited (a Company registered under the Indian Companies Act, 1892), and having its registered office at "Devashram", Arrah (hereinafter called the Company) of the one part and the Governor of the Province of Bengal (hereinafter called the Governor) of the other part:

Whereas for the purpose of development of the aluminium and subsidiary industry, viz., for establishing a factory for the manufacture of aluminium and other works connected therewith, with housing necessary in connection therewith, the Company has applied to the Government of Bengal for the acquisition under the provisions of the Land Acquisition Act, I of 1894, of the pieces or parcels of land containing 72·63 acres or thereabout, situate in the villages of Jemari, Beliabathan and Banali, pargana Shergarh in the district of Burdwan, and more particularly described in the Schedule hereto and delineated in the plan* hereunto annexed.

And whereas the said Government of Bengal, being satisfied by an enquiry held under section 40 of the said Act that the proposed acquisition is needed for the aforesaid purpose and that the said work is likely to prove useful to the public, has consented to acquire on behalf of the Company the pieces or parcels of land hereinbefore described under certain conditions, viz.—

(*1*) that the Company should provide two tube wells or masonry wells at convenient places for the supply of drinking water to the public;

(*2*) that the Company should not interfere with or obstruct the use of existing thoroughfare by the public. If any public thoroughfare is intended to be blocked by them from engineering necessity of the factory or for other urgent reasons connected therewith, they should provide a diverted passage for the use of the public;

(*3*) the Company should take six apprentices at a time for training in their factory in Bengal, provided they comply with their rules and regulations in that behalf;

(*4*) the Company should agree to give the apprentices training for such a period as would give them a thorough knowledge of all the departments;

(*5*) the Company should undertake to give preference to the people of Bengal in appointing officers consistent with efficiency and economy.

And whereas the said Government of Bengal has required the Company under the provisions of section 41 of the abovementioned Act to enter into the agreement with the Governor hereinafter contained. Now this Indenture witnesseth that it is hereby agreed and declared as follows:—

1. On demand, the Company shall and will pay to the Government of Bengal all and every compensation in respect of the said land tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, I of 1894, or by the Court to which a reference under Part III of the said Act may be made, or by the Court or Courts to which an appeal from the award of the said Court may be preferred and all costs, charges and expenses of the proceedings in the aforesaid Courts, or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.

On demand made by the said Collector the obligations of the Company under the last preceding clause not being thereby limited, the Company shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

3. On payment by the Company of all demands under the foregoing first clause, or, in the discretion of the said Government of Bengal (on deposit by the Company of all estimated amounts as provided in the second clause) but not before possession shall have been taken under the provisions of the abovementioned Act, the Governor shall make over possession of the said land to the Company and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Company.

4. The said lands shall be held by the Company for the purposes of such construction of aluminium and bye-product factories with necessary housing as is hereinbefore mentioned and without the sanction in writing of the said Government of Bengal first had and obtained for no other purposes whatsoever.

6. Should the said Aluminium Works with necessary housing not be completed (fully equipped in all respects ready for use) within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the said Government of Bengal or should the said land at any time thereafter cease for a period of twenty-four consecutive months to be held and used or cease to be required for the purpose or purposes provided for in the foregoing fourth clause, then and in any such case, the said Government may summarily re-enter upon and take possession of the said land together with all buildings thereon whether such buildings were erected before or after transfer of the land to the Company, and thereupon the interest of the Company in the said land and buildings shall absolutely cease and determine.

7. On taking such possession, the said Government may sell or otherwise deal with the said land and buildings as it may think proper.

(1) Should the said Government sell the land with the buildings, the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Company.

(2) Should the said Government decide not to sell the land and buildings, the said Government shall retain the said land and buildings thereon, in which case the Governor shall repay to the Company the market value as on the day of re-entry of all the buildings erected by the Company and all sums received from the Company in respect of all and every compensation as provided in the foregoing first clause (less the statutory allowance of 15 per cent. and less any amount received on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sums paid and received on account of costs, charges and expenses.

(3) Should the said Government decide to sell the said buildings only, upon such sale, the Governor after deducting the expenses of taking possession and selling, pay the balance of the proceeds of sale to the Company, together with the sum received from the Company in respect of the compensation for the land (less the statutory allowance of 15 per cent. and less any amount received from the Company on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sum paid and received on account of costs, charges and expenses.

8. The Company shall give reasonable facilities to the public to enjoy the benefit of the acquisition of the said land and to this intent has agreed to comply with the following conditions:—

(1) The Company should provide two tube wells or masonry wells at convenient places for the supply of drinking water to the public.

(2) The Company should not interfere with or obstruct the use of the existing thorough-fare by the public. If any public thorough-fare is intended to be blocked by them from engineering necessity of the factory or for other urgent reasons connected therewith, they should provide a diverted passage for the use of the public.

(3) The Company should take six apprentices at a time for training in their factory in Bengal provided they comply with their rules and regulations in that behalf.

(4) The Company should agree to give the apprentices training for such a period as would give them a thorough knowledge of all the departments.

(5) The Company should undertake to give preference to the people of Bengal in appointing officers consistent with efficiency and economy.

9. Should any dispute or difference arise touching or concerning the subject matter of this agreement or any covenant clause or things herein contained the same shall be referred to the said Government of Bengal and the opinion and decision of the said Government of Bengal upon such dispute or difference shall be final and conclusive and binding on the parties thereto.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 2nd August 1939.

First Forecast of the Sugarcane Crop of Bengal, 1939-40.

(*Note.*—On an average of the five years ending 1937-38, the area under sugarcane in Bengal has represented some 7·6 per cent. of the total area under sugarcane in India.)

Character of the season.—The weather at the planting time and onward during the early stage of the growth of the plant was not favourable owing to drought. There were, however, occasional light and scattered showers at places in the months of March and April. In May practically all districts had general rainfall, which brought about a marked change in outlook. The plants have since been thriving well and the present condition of the crops is satisfactory.

Area planted.—The total area planted with sugarcane for the province is estimated at 318,900 acres this year as against 298,900 acres in the final forecast last year. The increase in area planted with sugarcane as compared with last year is due to the high price of *gur* and the adoption of sugarcane as a substitute crop for jute in certain tracts as a result of jute restriction propaganda.

M. CARBERY,

Director of Agriculture, Bengal.

First Forecast of the Sugarcane Crop of Bengal, 1939-40.

24-Parganas ..	3,300	3,200	2,500	February. Normal ..	The decrease in area is due to deposit of sand on account of flood Effects of weather on the growth of the crop are fair
Nadia ..	11,800	11,100	13,500	March. Late ..	The increase in area is due to high price of *gur* and partly due to starting of sugarcane plantations in Jugpur farm. Effects of weather on the growth of the crop are favourable.
Murshidabad ..	4,300	7,700	8,900	April and May. Normal	The increase in area is due to establishment of two sugar mills, one at Beldanga and the other at Ramnagore. Effects of weather on the growth of the crop are favourable.

Rajshahi	7,500	17,400	35,000	December-January ..	The increase in cultivation is due to the failure of winter rice by the floods of last year Besides sugarcane has been taken as the chief substitute of jute and the demand of the mills There was drought at the start of the sowing season, but later on, there was rain. Present condition of the crop is hopeful.
Dinajpur ..	29,500	49,000	52,000	Middle of March Normal.	The increase is due to restriction in the cultivation of jute and also to the rise of the price of *gur* and sugarcane The weather has not been favourable at the beginning but has now become satisfactory.

Mymensingh ..	16,400	39,200	39,200	Early in February. Normal.	The weather at the planting time was dry and subsequently there was prolonged rainfall. Effects of the weather on the growth of the crop are fair.
Faridpur ..	6,700	9,900	9,000	January to middle of March. Late at places and normal at others.	The weather was unfavourable at the planting time at certain places but favourable at others. Subsequent drought retarded the growth of the plant. Present rainfall proved beneficial to the crop.
Bakarganj ..	18,200	39,000	35,000	January. Normal ..	The decrease in area is due to low price of *gur* at sowing time The weather at planting time was not favourable for insufficient rainfall. The weather has subsequently become favourable and the present growth is good.

Resolution reviewing the reports on the working of the municipalities in Bengal during the year 1937-38.

GOVERNMENT OF BENGAL.

Department of Public Health and Local Self-Government.

Municipal.

CALCUTTA, THE 7TH AUGUST 1939.

RESOLUTION—No. 1204M.

READ—

Reports of the Commissioners of Divisions on the working of the municipalities in the Bengal Presidency (except Calcutta) during the year 1937-38.

1. **Number of municipalities.**—The number of municipalities (118) remained unchanged. With the exception of the Rangpur municipality, the boundaries of which were extended so as to include an adjacent area, there was no noticeable variation in the actual limits of the municipal areas. Proposals for the revision of the boundaries of certain municipalities were, however, under consideration at the close of the year under review and preliminary notifications were issued in a few cases. Orders were issued during the year under report for the transfer of an area, known as the Horsford Estate, from the South Dum Dum municipality to the Dum Dum municipality with effect from the 1st April 1939.

2. **Elections.**—General elections were held in 64 municipalities and were well contested in the majority of cases. The ratepayers also took considerable interest in these elections, more than 90 per cent. of the voters attending the polls in some cases. As in the preceding year, female voters took a fair measure of interest in the election proceedings and a larger proportion of them exercised the franchise.

There was, however, no contest in any of the wards of the Kotechandpur and Maheshpur municipalities in the district of Jessore and of the Sherpur municipality in the district of Bogra. In the Maheshpur municipality, one seat remained vacant for want of any candidate and steps had to be taken to hold a fresh election to fill up the vacancy.

3. **Meetings.**—Out of a total number of 3,019 meetings held during the year, 112 proved abortive for want of a quorum and 262 meetings were adojurned against 115 and 265 meetings, respectively, in the preceding year. The failure was most marked at Hooghly-Chinsurah where 25 out of 46 meetings had to be adjourned and one failed for want of a quorum. The Sonamukhi municipality held the largest number of meetings, viz., 62, which, however, included 9 adjourned sittings and one which proved abortive for want of a quorum. Nabadwip came next with 58 meetings which included two abortive and one adjourned sitting. The Garden Reach municipality held 55 meetings none of which proved abortive. With the solitary exception of the Maheshpur municipality in the district of Jessore, no other municipality in the province failed to attain the statutory minimum of one meeting per month.

The attendance of commissioners at meetings was generally satisfactory and it was only in 14 municipalities that the average attendance was below 50 per cent. As in the preceding year, the percentage was the highest (90·5) in Kotechandpur in the district of Jessore, while it was lowest (31·7) in Jaynagar-Majilpur in the district of the 24-Parganas.

The average attendance of official commissioners was on the whole good in the majority of the municipalities and was cent. per cent. in the municipality of Baranagar. It was, however, far from satisfactory in the municipalities of Tamluk (1·7 per cent.), Kotrung (2·08 per cent.), Howrah (2·56 per cent.), Bogra (3·2 per cent.) and Katwa (8 per cent.). Government trust that the official members of these municipalities

will take greater interest in municipal affairs and attend as many meetings as possible in future.

4. **Ratepayers.**—The number of ratepayers increased from 373,954 to 381,053. The percentage of ratepayers to the population residing within municipal limits also rose slightly from 16·16 to 16·25 and varied in individual towns from 49·9 in Baraset to 3·5 in the industrial towns of Bhatpara and Titagarh where the population consists mainly of factory operatives residing in quarters provided by their employers who pay the rates. Other municipalities in which less than one-tenth of the urban population figured on the rating list were Mymensingh, Darjeeling, Kurseong and seven mill municipalities of the Presidency and Burdwan Divisions.

5. **Rates and taxes.**—The total receipts from the municipal rates and taxes rose from Rs. 77·92 lakhs to Rs. 79·88 lakhs and the average incidence of taxation per head of population also rose from Rs. 3-5-0 to Rs. 3-6-4. The average incidence of municipal income per head of urban population was Rs. 4-7-3 against Rs. 4-1-4 in the preceding year. The main reason for the low incidence of municipal taxation is that the actual ratepayers comprised only about one-sixth of the total urban population. The average incidence of taxation per ratepayer was Rs. 20-15-5 against Rs. 20-13-4 in the preceding year.

General or partial revision of assessment which took place in a number of municipalities was responsible for a net increase of Rs. 1,11,573 in the current municipal demand. Among the municipalities which had their demands appreciably increased as a result of revision of assessment were Chittagong (Rs. 17,646), Bhatpara (Rs. 11,340), Rangpur (Rs. 9,709), Serampore (Rs. 7,374), Nabadwip (Rs. 5,656), Rishra-Konnagore (Rs. 5,006) and Ranaghat (Rs. 4,316). There was an addition of Rs. 19,833 to the demand of the Howrah municipality owing to the imposition of the Howrah Bridge tax with effect from the fourth quarter of 1936-37, but the demand of the consolidated rate actually fell by Rs. 35,022 as a result of remissions on account of death, poverty and vacant holdings. Budge Budge suffered a decrease of Rs. 11,206 in the demand of the municipal revenue on account of the grant of remissions, while the decreases at Naihati (Rs. 5,574) and Dacca (Rs. 15,287) were due to the reduction in the assessments, made in the preceding year, by the Appeal Committees. Partial revision of assessment resulted in a substantial decrease of Rs. 24,112 in the demand of the Darjeeling municipality owing to the exclusion of certain road-side lands from taxation and a reduction of the percentage of holding rates.

The Madaripur municipality gained an increase of Rs. 5,582 in its demand by introducing the tax on the annual value of holdings in place of the tax on persons. There appear to be still a few municipalities, viz., Chandrakona, Ramjibanpore and Khirpai in the Midnapore district, Arambagh in the Hooghly district, Rajpur in the 24-Parganas and Kumarkhali in Nadia, which have not yet replaced the tax on persons by the rate on the annual value of holdings according to the provisions of the present Municipal Act.

6. **Collections.**—The total collections for the Presidency as a whole rose from Rs. 74·66 lakhs to Rs. 76·62 lakhs. The percentages of the current collections to the current demand, of the arrear collections to the arrear demand and of the total collections to the total demand were 75·8, 36·1 and 64·7, respectively, as compared with 75·8, 36·2 and 65·4 per cent, respectively, in the preceding year. The arrears outstanding at the close of the year accumulated to Rs. 33·23 lakhs against Rs. 32·8 lakhs in the preceding year in spite of a substantial increase in the amount of the total remissions which rose from Rs. 6·57 lakhs to Rs. 8·52 lakhs representing 7·2 per cent. of the total demand against 5·7 per cent. in the preceding year.

The percentage of the total collections to the total demand varied considerably in individual municipalities. Seven municipalities had the distinction of collecting over 95 per cent. of their total demands, viz., Bhadreswar (99·5), Garulia (99·6), Kanchrapara (96·36),

Bhatpara (98·18), Nalchiti (97·3), Cox's Bazar (96·7) and Kurseong (95·5). In eleven municipalities, on the other hand, the total collection was below 50 per cent. of the total demand, the Rajpur municipality being responsible for the lowest percentage, viz , 28·2, for which no explanation has been furnished. The collections, however, exceeded 80 per cent. of the total demand in thirty-three municipalities, including the seven mentioned above, fifteen of them collecting over 90 per cent. of their total demands.

As in the previous years, the Howrah municipality granted the largest remissions, amounting to Rs. 3,30,837, of which Rs. 88,914 was on account of vacant holdings. It had still the huge outstanding balance of Rs. 11,81,473 against Rs. 12,80,892 in the preceding year. Other municipalities with comparatively large outstanding balances were Dacca (Rs. 2,26,832), Tollyganj (Rs. 1,22,708), Mymensingh (Rs. 1,04,812), Hooghly-Chinsura (Rs. 1,09,051), Garden Reach (Rs. 88,427), Burdwan (Rs. 79,997), South Suburban (Rs. 73,698), Bally (Rs. 65,137) and Barisal (Rs. 62,548). In 30 municipalities. the outstanding balances exceeded 50 per cent. of the current demand. The percentage of the outstanding balance to the current demand was highest in Rajpur, (178·4). Other municipalities with high percentages of outstanding balances were Baraset (108·1), Taki (97·9), Birnagar (94·2), Patuakhali (86·7), Madaripur (82;1), Joynagar-Majilpur (78·9), Bajitpur (74·2), South Suburban (71·7) and Mymensingh (71·1). The heavy outstanding balance in Tollyganj is attributed to the difficulty in realising municipal taxes on account of the flooding of a portion of the municipality every year during the rains and a large part of the balance is reported to be irrecoverable. The balance in the South Suburban municipality is reported to be due chiefly to some assessment cases pending in the civil courts. Out of a total balance of Rs 21,925 in the Rajpur municipality, Rs. 5.552 representing the demand for 1935-36 and Rs. 5,101 on account of the house tax for 1936-37 are reported to have become practically irrecoverable owing to the failure of the municipal executive to present the bills to the ratepayers within the statutory time-limit. The outstanding balances in the other municipalities have not been explained; but the huge accumulation of arrear taxes from year to year, which is one of the principal causes of the financial embarrassment of most of the municipalities, was evidently due in the main to lack of supervision over the work of the collecting staff and to the usual reluctance of the municipal executives to face the unpopularity of taking timely coercive measures against the defaulters.

7. **Income, expenditure and closing balance.**—The aggregate receipts, including opening balances, rose from Rs. 125·9 lakhs to Rs. 144·2 lakhs, the increase occurring mainly under the heads "Opening balance" (Rs. 5·23 lakhs), "Rates and taxes" (Rs. 1·96 lakhs), "Grants and contributions" (Rs. 2·51 lakhs) and "Extraordinary and Debt" (Rs 7·79 lakhs).

The total disbursements also increased from Rs. 108·1 lakhs to Rs. 119·5 lakhs, the largest increase, viz., Rs. 6·8 lakhs, occurring under the head "Public Health and Convenience."

The total balance at the close of the year amounted to Rs. 24,65,591 against Rs. 17,79,495 in the preceding year. The Garden Reach municipality alone held a balance of Rs. 8,15,459 for which no explanation has been furnished. Other municipalities with noticeably large closing balances were Darjeeling (Rs. 1,93,409), Dacca (Rs. 1,82,510), Howrah (Rs. 1,29,345), Bhatpara (Rs. 77,735), Baranagar (Rs 69,267) and Kanchrapara (Rs. 46,211). A number of municipalities, on the other hand, failed to keep even adequate working balances and in several cases the balances left were insufficient to meet the outstanding liabilities.

8. **Education.**—The total expenditure on public instruction rose from Rs. 6·72 lakhs to Rs. 7·31 lakhs including a Government contribution of Rs. 1·54 lakhs against Rs. 1·48 lakhs in the preceding year. There was also a corresponding increase in the expenditure on primary education which rose by Rs. 40,264 to Rs. 5,14,755 and represented 5·2 per cent. of the total ordinary income of the municipalities and 70·4 per cent. of the total expenditure on public instruction. Only 6 municipalities, viz., Midnapore, Panihati,

Dum Dum, Rajpur, Gouripur, and Netrakona failed to spend the prescribed proportion of 3·2 per cent. of their ordinary income on primary education, as compared with 9 municipalities in the preceding year. The ratio of expenditure on primary education to the total ordinary income, however, exceeded 6 per cent. in 49 municipalities and 10 per cent. in 36, the Chittagong municipality again heading the list with an expenditure of 37 per cent. under this head.

As in the previous years, the Howrah municipality again spent the largest amount, viz., Rs. 76,470, on primary education but this represented only 4 per cent. of its ordinary income and a *per capita* expenditure of Rs. 2-14-8 on children of primary school-going age in the municipality. The *per capita* expenditure on the primary education of children was the highest, viz., Rs. 8-6-9 in Chittagong, which was closely followed by Darjeeling with an expenditure of Rs. 8-2-0, and was lowest (2 as. 5p.) in Rajpur in the district of the 24-Parganas. The *per capita* expenditure on primary education was over 4 rupees in 3 municipalities, viz., Garden Reach, Chandpur and Rangpur and over 3 rupees in 6 others. As in previous years, the commissioners of the Chittagong municipality took considerable interest in the spread of education and spent a sum of Rs. 82,549 under this head, including Rs. 26,832 received as contribution from Government and Rs. 22,525 realised as fees from the educational institutions. The expenditure incurred by this municipality on primary education alone was Rs. 53,728 or about 65 per cent. of its total expenditure on education. Its scheme for free and compulsory education of girls received the approval of Government during the year under report.

The Commissioner of the Rajshahi Division has reported that most of the municipalities inspected by him failed to make adequate provision for primary education. At his request, the Inspector of Schools, Rajshahi Division, prepared an adequate scheme of primary education for consideration by the Jalpaiguri municipality. The municipal commissioners of Bogra prepared a scheme for the primary education of 1,800 boys and girls representing all children of school-going age in the town. The municipality of Rangpur opened six free primary schools and contemplated opening two more. The Rajshahi municipality maintained seven free primary schools which imparted education to about one-fourth of the children of school-going age. The Darjeeling municipality increased its expenditure on education from Rs. 20,710 to Rs. 26,060, of which Rs. 19,244 was spent on primary schools. The Mymensingh municipality established a model free primary school, while the municipalities of Dacca and Narayanganj spent considerable amounts on the promotion of primary education.

9. **Water-supply.**—The total number of waterworks in operation in the municipalities was 52 against 48 in the preceding year. The approximate number of persons served by them was 1,326,064 and the average quantity supplied was 17,253,121 gallons per day. It is satisfactory to note that the expenditure on water-supply shows a progressive upward tendency from year to year, being Rs. 9·82 lakhs in 1935-36, Rs. 11·87 lakhs in 1936-37 and Rs. 14·66 lakhs during the year under review. The largest increases, viz., Rs. 3,84,212 occurred in the Presidency Division. The Baranagore municipality alone was responsible for an increase of Rs. 3,10,767 representing capital expenditure on the Baranagar-Kamarhati joint water-supply scheme, approved by Government in the preceding year. The Garden Reach municipality incurred an additional expenditure of Rs. 33,536 in connection with a water-supply scheme based on the decentralised system which received the final sanction of Government during the year under report; while an increase of Rs. 31,599 in the expenditure of the Khulna municipality was due to the payment of costs of the Waterworks Extension and Improvement Scheme. The expenditure in the Burdwan Division, however, showed a net decrease of Rs. 31,779 on account of reduced expenditure on original works, while that in the Dacca Division fell by about a lakh of rupees for the same reason.

Thirteen additional tube-wells were sunk by the Burdwan municipality in the outlying areas not provided with a

filtered water-supply, while 6 new tube-wells were sunk by the Katwa municipality. The Kalna municipality sank tube-wells fitted with a steam-power pump and two overhead reservoirs, and extended its pipe lines to a distance of 5 miles with 50 street hydrants. The Decentralised Storage System of distribution not having found favour with the commissioners of the Dacca municipality, a revised scheme was prepared by the Engineering Branch of the Public Health Department at an estimated cost of Rs. 11 lakhs. As, however, the financial position of the municipality did not permit of its taking up the scheme in its entirety, it was decided to take up only such portion of it as was within its financial resources The scheme for the improvement of the west bank water-supply of the Narayanganj Municipality was practically finished. The municipal commissioners decided to meter all connections in order to check the wastage of filtered water. The first part of the Mymensingh water-supply scheme having been completed, the second part of the scheme was taken up and the average daily supply of filtered water was increased from 350,718 to 447,000 gallons.

There was a net increase of Rs. 27,036 in the expenditure on water-supply in the Rajshahi Division, which was due mainly to increased expenditure by the Rajshahi municipality on an extension of the waterworks and the pipe lines and on the erection of additional street tanks. The scheme for the improvement of water-supply in the Darjeeling municipality had to be postponed for the time being as the municipality had to take up the more urgent work of stopping the leakages in the Senchal Lakes.

10. **Conservancy.**—The total conservancy charges during the year amounted to Rs. 24·85 lakhs representing an excess of about Rs 7·3 lakhs over the receipt from the conservancy rate. No serious attempts appear to have been made by the municipalities to reduce the difference between the receipts and the expenditure under this head so as to make the service as nearly self-supporting as possible. The municipality of Gaibandha, however, increased its conservancy rate from 4½ to 5½ per cent. with a view to balancing its conservancy rate fund, but this was done at the cost of a corresponding reduction in the general rate.

The Darjeeling municipality prepared a scheme involving an expenditure of about Rs. 27,820, for providing sewer mains with a view to abolishing the system of service privies and partially carried it out during the year under report. The Kurseong municipality constructed a public latrine at a cost of Rs. 1,060. The improvement of the conservancy system of the Chittagong municipality is reported to have become an urgent problem owing to the rapid increase of the population of the town.

11. **Drainage.**—The total outlay on drainage increased from Rs. 3·68 lakhs in 1936-37 to Rs. 4·48 lakhs during the year under review.

The Asansol municipality took up the sewerage scheme sanctioned in the preceding year. The Krishnagar municipality incurred some additional expenditure by constructing an outfall for the drainage of the town. A partial surface drainage scheme at an estimated cost of about Rs. 20,000 was prepared by the Dacca municipality for the improvement of some of the principal existing *kutcha* drains and most of the work was completed during the year under review. A scheme for the reconstruction of the drainage of the Mymensingh municipality was under the consideration of the municipal commissioners. The drainage system of the Chittagong municipality was reported to be wholly unsatisfactory and in urgent need of improvement.

12 **Lighting.**—The total expenditure under this head rose by about Rs. 19,000 to Rs. 7·39 lakhs, but it was considerably in excess of the receipts from the lighting rate which amounted to Rs. 1·96 lakhs against Rs. 1·79 lakhs in the preceding year, the difference being met as usual from the general fund.

There was, however, a net decrease of Rs. 28,766 in the expenditure under this head in the Burdwan Division which

was shared more or less by 12 municipalities, the most marked decreases occurring in Howrah (Rs. 28,091), Burdwan (Rs. 6,786) and Asansol (Rs. 4,035). The decrease in Howrah has not been explained, but the decrease in Burdwan is reported to be due to the discontinuance of electric lights in the streets and that in Asansol to the reduction of the cost of street lighting. The Baranagar municipality effected a considerable saving in its lighting expenditure as a result of a new contract with the Calcutta Electric Supply Corporation, under which the rate per unit was reduced. There were comparatively small increases in the expenditure on lighting in the Presidency, Dacca and Chittagong Divisions. The expenditure in the Rajshahi Division, however, showed an increase of about Rs. 33,000 which was due mainly to the larger expenditure incurred by the Darjeeling municipality.

13. **Public Health.**—The total expenditure on hospitals and dispensaries rose from Rs. 4·26 lakhs to Rs. 4·48 lakhs and that on the health officers and sanitary inspectors also increased from Rs 2·21 to 2·32 lakhs. The expenditure on other sanitary measures rose slightly from Rs. 1·37 lakhs to Rs 1·38 lakhs, while that on vaccination fell by Rs. 2,635 to Rs. 47,910.

As in previous years, most of the municipalities took steps to improve sanitation by filling up, clearing or disinfecting insanitary tanks, *dobas* and ditches and by removing jungle and obnoxious vegetation on roadside lands and drains. In several municipalities, notices were served on private owners for cleaning their lands of weeds and jungles and for filling up insanitary tanks and most of these notices are reported to have been complied with.

Preventive measures were taken by a large number of municipalities to check the spread of epidemics. There were outbreaks, in an epidemic form, of small-pox in Suri and Bankura and of cholera and small-pox in Baidyabati and in certain municipalities in the district of the 24-Parganas, but the timely adoption of preventive measures checked the spread of the epidemics. Sporadic cases of cholera and small-pox occurred as usual in a number of municipalities and were, generally speaking, promptly dealt with by the municipal authorities. With regard to the Champdany municipality, however, in which cholera broke out in a sporadic form during the year under review, the District Magistrate of Hooghly observes as follows: "No steps were taken by the municipality for the first few days after cases of cholera had occurred and it was only due to the feverish efforts of a private hospital that a serious epidemic did not break out. When the Civil Surgeon enquired into the reasons for this, he was shown inoculation figures to prove that action had been taken. These figures were subsequently proved to be false and had been supplied by the subordinate medical officials of the municipality." These remarks undoubtedly constitute a serious reflection on the efficiency of the municipal administration in a matter of vital importance to the health and safety of the inhabitants of the town and Government hope that the municipal commissioners will take adequate steps to prevent any repetition of such mal-administration in future.

Most of the municipalities maintained a permanent staff of vaccinators while additional temporary vaccinators were also engaged in times of epidemics. Free vaccinations were, as usual, given at fixed stations and also at the houses of ratepayers.

Anti-malarial measures were adopted by a number of municipalities throughout the province as in previous years, with the co-operation of the local anti-malarial societies where they existed and with financial help from Government in certain cases. Steps were also taken by several municipalities for the eradication of water-hyacinth from their respective areas. Centres for the treatment of anti-rabic cases were maintained by a few municipalities, viz., Bally, South Dum Dum (which maintained a treatment centre jointly with the Dum Dum municipality) and Baruipore; while the arrangements for treatment of such cases made by the municipalities in the district of Nadia also worked satisfactorily. Clinics for the treatment of leprosy were maintained by the municipalities of Sonamukhi,

Berhampore and Dacca. In the last-named municipality the number of patients treated was 648 of which 230 were new cases.

Maternity and child welfare engaged the attention of a few municipalities, the most notable among them being Suri, Asansol, Krishnagar, Nabadwip, Santipur and Narayanganj. *Dai*-training classes maintained by these municipalities continued to do useful work. The Nabadwip municipality continued to maintain a maternity home and orphanage in co-operation with the local Lodging-house Committee, while the Narayanganj municipality organised a Baby show. Health propaganda work was undertaken by the municipalities of Baranagar and Barisal with the aid of magic lantern and by exhibition of wall posters. Systematic examination of the health of school children was conducted in Dacca, South Suburban and Garden Reach. The Darjeeling municipality is reported to have made substantial progress towards the improvement of housing arrangements and general sanitation.

The problem of adulterated foodstuffs engaged the attention of a number of municipalities, the activities of the Nabadwip, Krishnagar, Dacca, Narayanganj, Rangpur and Gaibandha municipalities being prominent in this direction. The administration of the Food Adulteration Act, however, continued to be inadequate and greater efforts are necessary under this head on the part of most of the municipal authorities.

14. **Public Works.**—The total expenditure on public works rose by about Rs. 2·39 lakhs to Rs. 17·10 lakhs, the increase occurring mainly under the heads "Roads" (Rs. 1,82,672), "Buildings" (Rs. 29,195) and "Establishment" (Rs. 11,695). The total length of metalled and unmetalled roads maintained by municipalities rose from 3,048·3 miles to 3,108·7 miles of which 1,553·4 miles were metalled as compared with 1,455·5 miles in the preceding year. A number of municipalities appear to have paid greater attention to the improvement of communications in their respective areas and to have spent a much larger amount under this head than in the preceding year with the help of the grants received from the Motor Vehicles Tax Fund. The general condition of the roads in many towns was, however, still far from satisfactory, while several municipalities failed to incur out of their own funds even the minimum standard expenditure prescribed by Government for entitling them to grants from the Motor Vehicles Tax Fund.

15. **Audit of Accounts.**—The accounts of almost all the municipalities in the province were audited during the year under review. Except in the case of the Chittagong municipality, where a temporary collecting sarkar was dismissed from service for having misappropriated a sum of Rs. 446-2, no new cases of embezzlement or misappropriation of the municipal funds were brought to light during the year. The cases of embezzlement by the collecting sarkars of the Nabadwip municipality in the district of Nadia and of the Nawabganj municipality in the district of Malda, mentioned in the last resolution, ended in the conviction of the accused, while the case brought against the collecting sarkar of the Rajshahi municipality resulted in acquittal. A case of defalcation by an employee of the Santipur municipality (Nadia) and another case of defalcation and falsification of accounts in the Rajshahi municipality were brought to light after the close of the year.

The audit notes revealed many serious irregularities in the accounts of the Chittagong and Noakhali municipalities, the financial position of which showed no improvement.

16. **General Remarks.**—The year under review witnessed no marked improvement in the general level of municipal administration which continued to be hampered by lack of funds and in several cases by party faction. The incidence of taxation was still very low in most of the municipalities as a result of the aversion on the part of municipal commissioners to resort to increased taxation for fear of unpopularity. Bad collection and indifference towards audit instructions and objections and disinclination on the part of the municipal executives to adopt coercive measures for the timely realisation of taxes were unfortunately common features of municipal administration during the year under review.

There were, however, in some towns signs of an awakening and of a higher standard of municipal administration, particularly in the industrial towns on the banks of the river Hooghly. It is pleasing to note that several municipalities paid greater attention to increasing the general amenities of the taxpayers and particularly to the improvement of public health and the spread of primary education.

The names of the following Chairmen, Vice-Chairmen, and municipal commissioners have been specifically brought to the notice of Government by the Commissioners of Divisions on account of the good work done by them during the year under review and Government desire to express their appreciation of the public spirit shown by these gentlemen and of the valuable services rendered by them :—
